# Speech by prof. P.C.Shukla

Vice Chancellor, NEHU(Shillong)

It gives me immense pleasure to be here this evening and to address the young students of Star Public School on the occasion of its annual function. The theme of the annual day “Vasudhev Kutumbakam” is rightly and aptly chosen as we all should believe that the world is our family and we are part of this great family. And as educators and students, we have responsibilities towards our family in building it a better place to live for our future generations. We should not think and act selfishly and work only for ourselves and our time. We should all join hands in working together to serve the world and humanity. School is where we learn about these values and how we discipline ourselves which in turn will ultimately serve the nation and humankind. वसुधैव कुटुंबकम् सनातन धर्म का मूल संस्कार तथा विचारधारा है जो महा उपनिषद सहित कई ग्रंथों में लिपिबद्ध है। इसका अर्थ है- धरती ही परिवार है। (वसुधा एवं कुटुम्बकम्) यह वाक्य भारतीय संसद के प्रवेश कक्ष में भी अंकित है।

Indian Prime Minister Shri Narendra Modi used this phrase in a speech at World Cultural Festival, organized by Art of Leaving, adding that “Indian culture is very rich and has inculcated in each one of us with great values, we are the people who come from Aham Brahmasmi to Vasudhaiva Kutumbkam, we are the people who come from Upnishads to Upgrah(Satelite).

The theme and logo for India’s G20 Presidency from December 1, 2022 till November 30, 2023 has a mention of to Vasudhaiva Kutumbkam, or “One Earth-One Family-One Future”. I congratulate the management, teachers, staff and students of Star Public School on celebrating the Annual Day and choosing Vasudhaiva Kutumbkam as the theme for the Annual Day. My dear students, I would like to say, “Education is not just the amount of information that is put into a child’s brain undigested, unrelated and unassimilated. The essence of education is the concentration of mind and soul. As Swami Vivekananda said, “Education is the manifestation of perfection already in man.” The concept of education is that it should help in the formation of character, expansion of intellect and development of positive view of life. I am very glad to be present with you all my dear students, who are the bright future of our great nation. You are blessed to have wonderful teachers and also blessed to have a school like this that supports its students in every field to make their future shine and bright. Students should be made aware of their responsibility and duty towards protecting nature and prevent its wanton destruction which unfortunately seems to be order of the day. Some simple practices like encouraging planting of trees periodically in their neighborhood, watering the plants and nurturing them, digging pits for rain water harvesting should be taught.

My dear students, I want you all to learn three important lesson of life that you will follow to live a very successful and content life. The first thing is respect. Please learn to respect everyone, your father, friends, relatives and teachers. Please learn to respect the other person. Learn to respect religion of another person. The second one is compassion. Please show true compassion. Help each other. Make lot of friends. And the last point, sense of humor. I want to tell you all to be cheerful and humorous. I am very happy to learn that your school has been Ranked no 1 in Meghalaya by Education World Ranking 2022. It is a big achievement. I hope and pray that you prosper even more to greater heights and achieve great success to come. I wish the students all the very best for your future and achieve your goals and aims. Once again, I congratulate the Principal, Management Committee, teachers and Staff and especially students on this occasion.

Thank you!!! Khublei Shibun!!! Mithela!!!

# Message From Shri. Dipankar Mahanta Joint Secretary, VKIC Guwahati

11

” निर्माणों के पावन युग में हम चरित्र निर्माण न भूलें, स्वार्थ साधना की आंधी में वसुधा का कल्याण न भूलें!” The song sung by Shri Dipankar, guest of honour ignited the zeal of people present in the auditorium on the occasion of the Annual Function celebrated by the school. He is the Joint Secretary, Institute of Culture, Vivekanand Kendra. Through this song, he presented the vision of “Man Making, Nation Building”. He explained that “Man Making” happens through character building and character building happens through “Renunciation and service to mankind”. He congratulated Star Public School for fulling this vision through education, skill development, and co-curricular activities. He said that Star Public School had set itself an example as an ideal institution and further congratulated us for educating pupils from nearby cement company colonies as well as from the local area, thus making a small family out of it through its service and is taking forward the dream of Swami Vivekanand to make India the Leader of the world.

## Thanks Message

It was a joy for me to be a part of your Annual Day Programme on the evening of 23 December and to see your children perform in the cultural programme that evening. I take this opportunity to thank you for this opportunity given to me and your hospitality. The theme 'Vasudaiva Kutumbakam' you have chosen for the Annual Day was an appropriate one. It was inspiring.

I extend my heartiest welcome to all dignitaries and guests present here at Annual Day Celebration “Vasudhaiv Kutumbkam”, of Star Public School, which flourished under the aegis of Star Cement Ltd. Sri Pradeep Purohit Sir, Chairman-SMC, Mrs. Nitu Bansal, Manager-SMC and Star Cement Senior Management Team, has been the driving force behind this whole process, whose vision and hard work has created this success story. In the current academic session we have 565 students are on roll which includes 52 new students.

We achieved 100% results in Secondary School Examination conducted by CBSE. Total 32 students participated in class 10 board examination out of which 28 students scored First Division, 20 students scored distinction marks and 8 students scored 90 and above. Master Nishant Singh scored 96% and topped the board examination at School level.

We achieved 100% results in Senior Secondary School Examination conducted by CBSE. Total 16 students participated in class 12 board examinations. 9 students passed in first division. 2 students got distinction. Miss Pooja Kumari Jha secured 93% and she was the topper at school level. 13 teachers from Star Public School were declared school innovation ambassador by Ministry of education, Govt. of India, AICTE and CBSE.

We have introduced 10 bag less days during an academic year for the students of classes 6 to 8 as per the guidelines of NEP.

Our students are preparing for STRUCTURED ASSESSMENT FOR ANALYZING LEARNING, A COMPETENCY BASED ASSESEMENT FOR CLASS 5 & 8.

STAR PUBLIC SCHOOL IS SELECTED AS A PILOT SCHOOL IN EAST JAINTIA HILLS TO IMPLEMENT HYBRID LEARNING, DIGITAL LITERACY AND SKILL HUB INITIATIVE FOR WHICH CERTIFICATION WILL BE GIVEN BY CBSE.

Total 76 students participated in Vidyarthi Vigyan Manthan. 7 students are district level topper and Master Abu Ahmed Bin of class 9 is selected for State Level Camp.

We welcome our new faculty members; Mr. Rajesh Kumar, Mr. Abhisek Banerjee, Mr. Amarjeet Banerjee, Ms. Rinki Kumar, Mr. Apoorba Das, Mr. Prem Tantod, Ms. Reshma Raj, Mr. Swapnnil Sharma, Mr. Dhyanjothi Barman, Sidhartha Saumya Das & Ms. Priyanka Kothari.

I want to congratulate the staff members of Star Public fraternity for their selfless contribution to make this programme successful. I want to extend my gratitude to Shri Pradeep Purohit, Chairman, School Managing Committee, Shri Devender Bansal Ji, Mrs. Neetu Bansal, Manager -School and other HOD's for their support to us.

I am extremely thankful to our parents by showing their trust in Star Public School. In the future time all the students will be provided more facilities and opportunities to excel in their scholastic and co-scholastic concern. I am proud for the students and parents who are a part of Star Public family.

I hope you will enjoy today's programme being presented by our students.

Thank you all.

Jai Hind.

# Science Olympiad Foundation

13

SOF is an Educational Organization popularizing academic competition and assisting development of competitive spirit among school children.

This year 64 students from classes IV to X & XII participated in the Science Olympiad Foundation Exam. The examination was of 60 minutes. On 1st of December this examination was conducted in our school. Based on the performance in different classes, the students will be selected for district level competition.

# Aryabhata Ganit Challenge

Aryabhata Ganit Challenge provides an effective way of building mental discipline and encourages logical reasoning and mentor rigor .It encourages logical reasoning,critical thinking ,abstract or spatial thinking problem solving ability etc .It provides the student an opportunity to show their talent , speed, accuracy .Aryabhata Ganit Challenge is conducted by CBSE for grades VIII to X . The main focus of this competition was focus on the extent to which children are able to apply mathematics to their daily life . It was conducted at two levels -

- 1) School level competition
- 2) National level competition

All students of Star Public School from grades VIII to X appeared first level competition on 2nd December 2022 and three students Master Hariom Jha - X , Master Divyansh Sharma -IX and Master Rakshit Mallik -VIII qualified for second level competition which was national level by CBSE as a computer based . It gives immense and golden opportunity to identify nurture mathematics skills and skills potential of students. On succesful of second level competition top 100 students from each CBSE region will be given merit certificate, medal etc
