International Tiger Day

Global Tiger Day is celebrated every year on July 29th as a way to raise awareness about this magnificent but endangered big cat. The day was founded in 2010, when the 13 tiger range countries came together to create Tx2 – the global goal to double the number of wild tigers by the year 2022.

To promote this cause, International Tiger day was celebrated by the students of Star Public School wherein activities were conducted to increase awareness on conservation of Tiger. The programme started with a spectacular play and dance showcasing the pitiful life of a tiger through which the students encouraged their fellow friends to raise awareness about conserving the wild life.

The main attraction of the program was the presence of Lt. Col. SR Banerjee, Wild Life activist and Ayan Banerjee. Both the speakers through the PowerPoint Presentation shared important facts about the tigers and their pivotal role in balancing and maintaining the ecosystem.

The program was coordinated by the following teachers –

1. Sonal Banerjee
2. K. Bidhu BhusanSingha

STAR PUBLIC SCHOOL

Star Public School is one of the best schools to attend, both academically and in terms of the overall growth of a student. The school provides students with the finest chance to excel in whatever discipline they excel in, whether it is athletics, co-curricular activities, or academics. The school has given me several opportunities to participate in various activities, including sporting events, athletic meets, scientific exhibitions, and other events both inside and outside of the state, as well as much-needed scholarships. I am exceptionally lucky to attend one of our state's top institutions, which has had a significant impact on my overall development. For a high-quality education and general growth, I strongly urge you to send your child to Star Public School.
