Special Assembly: May Day

May Day, also known as International Labour Day, is celebrated in 80 countries across the world on May 1. The purpose of the day is to commemorate the efforts and victories of the workers.

To celebrate this painstaking effort of the workers who work tirelessly, a special assembly was organized in the school. The children were briefed on International Labour Day and its importance. Students expressed their gratitude by presenting poems, songs and heartfelt thoughts.

The activities were designed to forge a better understanding of the worker community. Mr. Dilip Kumar, Principal, Star Public School, highlighted the history of International Labour day and its moral issues in terms of dignity, working hours and a fair distribution of wages.

Special Assembly: Eid-ul-Fitr

Festivals are perceived as important part of education. Celebration of festivals brings students closer to tradition. Eid-ul-fitr was celebrated by the students of Star Public School through the special assembly. The purpose was to enlighten the students about the spirit of festival, spreading the message of love and brotherhood in the young minds and that Eid is a time to share happiness.

The assembly started with a beautiful thought followed by the word of the day, a short speech, a beautiful poem, chanting of 'surah' from Al-Quran. A dance was performed by the students. The program concluded with a melodious 'Sufi' song by the school choir.

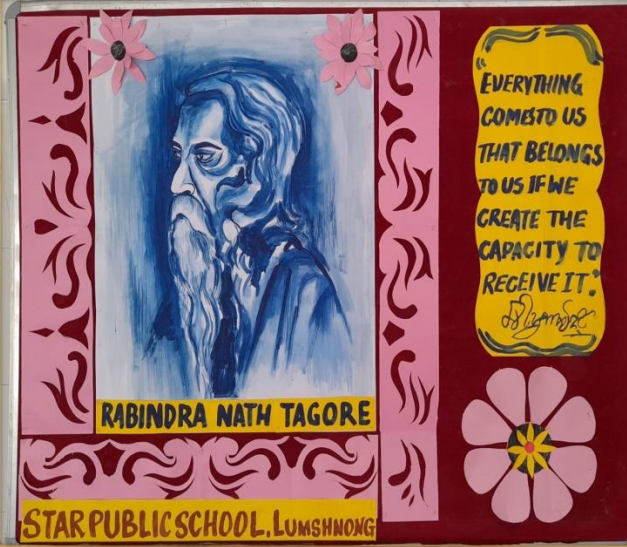

Special Assembly: Rabindra Jayanti

Rabindra Jayanti is the day which signifies the birth anniversary of the renowned scholar, author, poet, composer of our national anthem and Nobel laureate Rabindranath Tagore. It is observed on 25th day of the month of Baisakh.

Therefore, May 9 was the day for celebrating the 157th birthday of Rabindranath Tagore across the country.

To mark this occasion, a special assembly was organized by the students of Star Public School. A tribute was paid to Tagore through the presentation of beautiful thought and a short speech highlighting his achievements. The ceremony extended in the form of the recital of Tagore's poetry which was a mellifluous treat to the audience.

No Tobacco Campaign

An awareness rally was organized on 10th May, 2022 by the students and teachers of Star Public School, Lumshnong, Meghalaya on account of 'World No Tobacco Day'. The theme of the rally was based on 'Tobacco vs. Environment'. 382 students from Star Public School ranging from Primary level to Class – XII participated in the "Rally against Tobacco".

During the rally, public awareness placards were displayed and skits were performed to inform about the adverse effects of tobacco consumption. 285 students and 25 teachers marched in the rally covering colony and Lumshnong Village Market and on site skit was performed.

Apart from this a mass "Signature Campaign" was launched in which students visited each doorstep and brought about 37,466 signatures from various people taking the pledge from them against substance abuse.

In addition to the activities carried out by the school children the Scouts and Guides of Star Public School too took out a rally spreading awareness about the ill effects of substance abuse. After participating in both the activities, school entries were uploaded in <https://pleg4life.org/wntd-entry>.

A prize distribution ceremony was organized by District Administration in which "Star Public School" was declared as winner school at Block level and District Level as well.

Signature Campaign

1. Students to write following in their notebook/ copy/ diary: **"Tobacco is harmful not only to humans but also to the environment"**
2. Student to read/show this and explain why tobacco is harmful to family, friends, neighbours and get them to sign the notebook/copy/diary
3. As many signatures to be collected as possible
4. Enter the number of students who participated and TOTAL number of signatures collected

Rally Against Tobacco

Fire Safety Demonstration

To educate and train the students for an unforeseen emergency situation like fire, a demonstration on fire safety was conducted by Mr. Mahesh Debnath, Manager (EHS, Star Cement) and his team on 24th May 2022.

The objective of the exercise was to create awareness among the students and the staff about firefighting techniques and the ways to respond swiftly in times of emergency situations.

Mock safety drills and safety procedures to be adopted were explained to the students and staff members. A mock drill was also conducted on the use of fire extinguishers by Mr. Mahesh Debnath.

He shared simple and easy safety tips, explained and demonstrated the functioning of fire extinguishers. He made everyone aware about the Do's and Don'ts regarding the possibilities of fire. Some of the students were also called upon to operate the fire extinguisher independently. The session proved to be informative and an imperative lesson on life saving skills.

Countingwell's Mathematics Learning app focuses on learning outcomes through a unique student-centric pedagogy delivering encouraging outcomes for students for their Maths Learning.

Countingwell has created a powerful new Homework tool that gives the teacher the power of data and personalized teaching through formative assessments, all without adding any burden of time or effort on the teacher. Aligned with the school curriculum and Bloom's taxonomy, the pedagogy is designed to complement the teacher and provide first-line remedial intervention to fill the child's learning gaps. 40 students from Star Public School have participated in Countingwell Ramanujam Mathematics Scholarships. Mr. Bijay Kumar Mahatha, PGT-Mathematics coordinated Countingwell activities at Star Public School.

Parent-Teacher Meeting

A Parent-Teacher Meeting for classes Nursery to XII was held on 28th May 2022 to discuss the performance of the students with their parents. A total of 371 parents attended the PTM. They were given feedback on their ward's performances in Periodic Test – I / Unit Test – I, 2022-23.

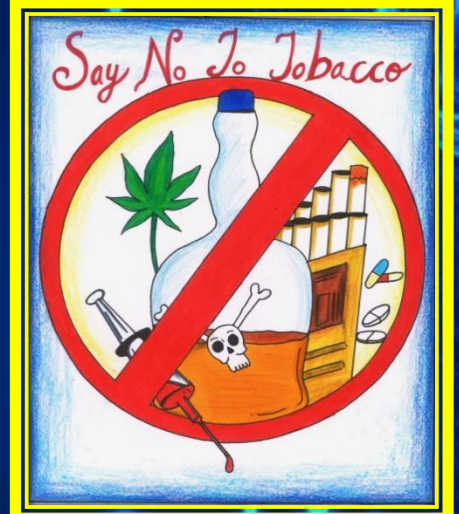

It was a great interaction between the teacher and the parents for the development of their children where they had discussed both the strengths and areas of improvements of the students. The class teachers shared their comprehensive feedback provided by the subject teachers and the suggestions given by the parents were noted down.

The parents were satisfied with the ongoing classes. The PTM came to an end with the conclusion that joint effort, mutual understanding and co-operation of parents and teachers are very important for the proper nourishment and progress of students.

Pre-Primary Section

Activity-based learning is the process of learning by doing. It is the best tool to academic success. It encourages children to be creative. It supports students' social growth and learning by completing the activities independently or in a group. They develop a strong sense of obligation as well as teamwork, delegation, persuasion, and communication skills.

Pre-primary activities are interesting because they combine curiosity and inquisitiveness. Every single kid has a unique learning path and matures at a different pace. That is what makes pre-primary so amazing!!

Here are some activities blog:

Nursery: Paper Making and Pasting, Post Summer Holidays Activity and Healthy Fruits Activity.

LKG: Tearing and Pasting Paper Activity.

UKG: Labour Day Activity, Exercise for body movement and Mother's Day Activity.

Grade 1: Fruits and vegetable activity, Bus activity from playing motion music.

Grade 2: Self-introduction

Mother's Day is a day to express love, respect, and thanks to mothers. Our preprimary kids also celebrated Mother's Day with lots of creative activities.

National Financial Literacy Assessment Test

Financial literacy is a core life skill that focuses on knowledge, behaviour and attitude required to make responsible money management decisions. In 2005, the OECD recommended that financial education start as early as possible and be taught in schools.

In line with OECD recommendation, National Financial Literacy Assessment Test (NFLAT) conducted by the NCFE, encourages school students of Class VI to X, to acquire basic financial skills necessary to make informed and effective financial decisions throughout each stage of their lives. National Level Financial Literacy Assessment Test 2022 for class 6 to class 10 school students was conducted under two categories:

- ❖ Junior (class 6 to 8)
- ❖ Mid (class 9 & 10)

86 students from Class 6 to 10 appeared in the Assessment Test. The Assessment Test program was coordinated by Mr. Mantun Kumar Singh.

CBSE 100 days Reading Challenge – Storyweaver

The CBSE Reading Mission is a two-year initiative to promote reading literacy in 25,000 schools. Under the Reading Mission, CBSE affiliated schools and teachers have access to high-quality children's literature via the Pratham Books Reading Programme, available for free in English and Hindi on Storyweaver.

The Reading Programme offers 144 beautifully illustrated multilingual age-appropriate storybooks that provide a rich reading experience to all children, cutting across geographic, economic, social and cultural divides.

All the students from Star Public School are encouraged to join the Reading Mission and to experience the joy of reading.

Summer Game Show

A live session on Summer Game Show was conducted on 28th May, 2022 by Club 1BR from Classes I to VIII . 167 students from Star Public School downloaded the freedom app for the Game Show session. The main motive of the game was to test the English language proficiency and skills like, reading comprehension, sentence correction, unscrambled letters to make a correct word etc. Mr. K. Bidhu Bhusan Singha and Mrs. Elina Nag Baheti also attended the session.

The screenshot displays a Zoom meeting interface. At the top, the Zoom logo and a 'Leave' button are visible. The meeting duration is 30:45. A 'REC' indicator is present on the left. The main content area shows a Kahoot! 'English Game Show' results screen with a purple background and confetti. The results are as follows:

Participant	Score	Percentage
Ghanisht Thakur	12016	14 out of 14
Manjot	12741	14 out of 14
Sanam	11511	13 out of 14

Surrounding the results screen are 20 video thumbnails of participants. The names of the participants shown are: Elina Nag Baheti, Club1BR by Freedom, Yashi, Aadhanya S.R., S.shivani, Vanshika Sharma, ANKAN DEBNATH, Aahna Thakur, K. Bidhu Bhusan Singha, Shaily - Club1BR by Freedom, Sandip Nath, Nishika Nupur, ATHARV CHANNAVAR, and Sanmish Bhatia. A browser window at the top shows the Kahoot! STAR PUBLIC SCHOOL

Star Public School is one of the best schools to attend, both academically and in terms of the overall growth of a student. The school provides students with the finest chance to excel in whatever discipline they excel in, whether it is athletics, co-curricular activities, or academics. The school has given me several opportunities to participate in various activities, including sporting events, athletic meets, scientific exhibitions, and other events both inside and outside of the state, as well as much-needed scholarships. I am exceptionally lucky to attend one of our state's top institutions, which has had a significant impact on my overall development. For a high-quality education and general growth, I strongly urge you to send your child to Star Public School.
