# I. Project-Based Learning and Classroom Culture

The training session on Project-Based Learning (PBL) and Classroom Culture was held at Star Public School on 01st July, 2023. The session aimed to enhance teachers' understanding of PBL and guide them in implementing it effectively in their classrooms. Additionally, the training focused on creating a positive classroom culture conducive to student engagement and learning. The participants included all the teachers of Star Public School.

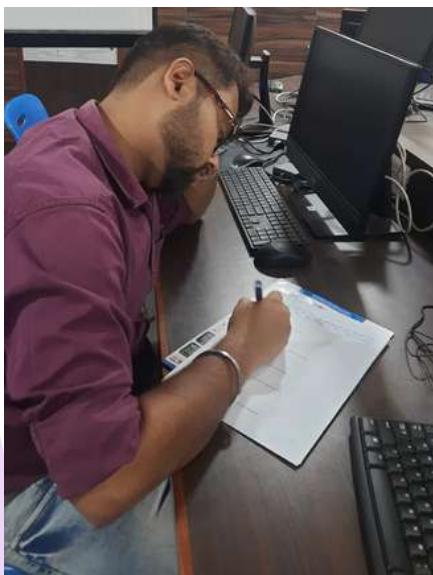

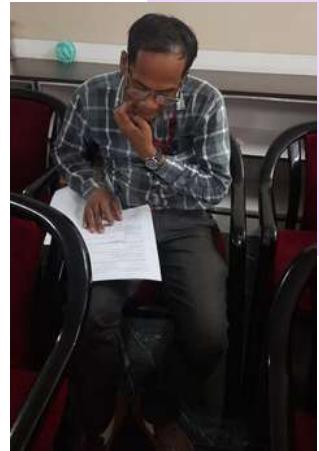

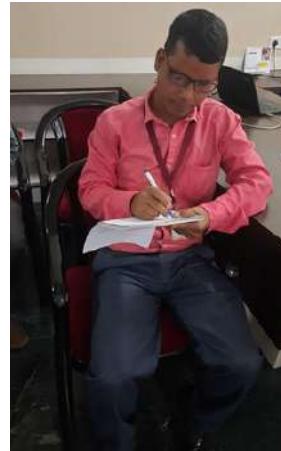

The training session began promptly at 8:00 AM with a welcome address by Dilip Kumar, the Principal of Star Public School. He emphasized the importance of incorporating Project-Based Learning in the curriculum to enhance students' critical thinking, problem-solving, and collaborative skills.

Following the introduction, the steps to implement PBL were discussed in detail. The participants were provided with practical strategies and examples to help them integrate project-based approaches into their teaching practice effectively. They were encouraged to ask questions and engage in discussions to clarify their doubts.

# 1. Project-Based Learning and Classroom Culture

A short test was conducted to assess the participants' understanding of PBL concepts and implementation strategies. The test aimed to reinforce the key learnings from the session.

In continuation, a one-hour Webinar on leadership was conducted by Teach India Organization. The webinar focused on developing effective leadership skills among educators and provided insights into managing classrooms and nurturing students' potential.

A refreshment break was scheduled after the webinar, where the participants enjoyed delicious Aluchop and tomato ketchup, fostering a casual yet interactive environment.

The subsequent session delved into the topic of Classroom Culture. The facilitator explained the components of classroom culture, emphasizing the importance of creating a positive, inclusive, and respectful learning environment. The four types of teachers: Facilitator, Enabler, Conductor, and Dictatorship, were discussed in the context of their effectiveness in promoting a healthy classroom culture.

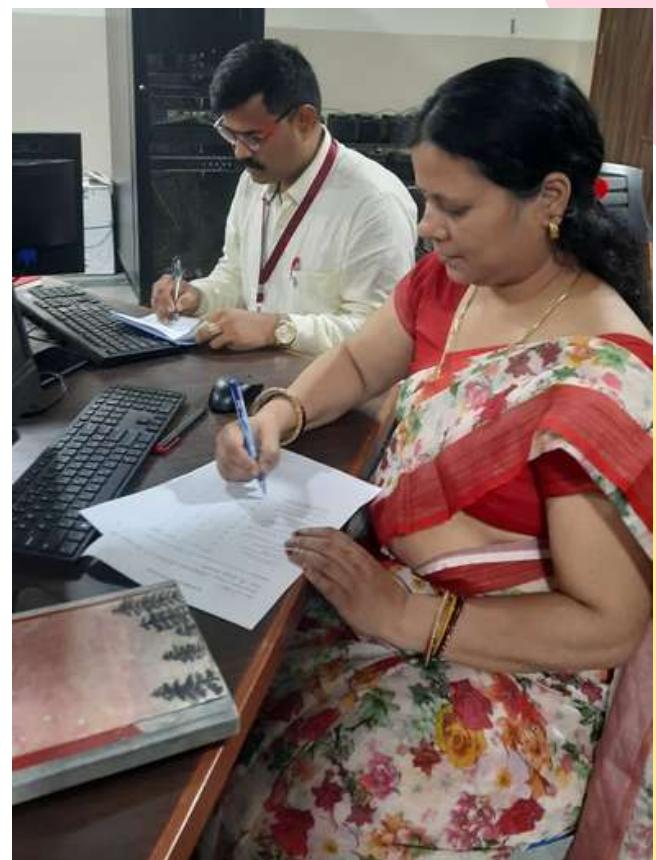

# 1. Project-Based Learning and Classroom Culture

Following the session, another test was administered to gauge the participants' comprehension of classroom culture concepts and the different teaching approaches discussed.

Finally, the participants were given a feedback form to provide their opinions, suggestions, and reflections on the training session. The feedback aimed to gather insights on the effectiveness of the training and identify areas for improvement.

The training session on Project-Based Learning and Classroom Culture at Star Public School was a comprehensive and engaging event. The participants gained valuable knowledge and strategies to implement PBL effectively and create a positive classroom culture. The session also provided an opportunity for teachers to reflect on their teaching practices and explore ways to enhance student engagement and learning. The feedback collected from the participants will be valuable in improving future training initiatives at the school.

## 2. Money smart School Program -2023

We are proud to announce that Star Public School has achieved remarkable success in the Money Smart School Program (MSSP), a financial literacy initiative organized by the National Center for Financial Education (NCFE). This program was exclusively designed for students in classes VI to X, aiming to equip them with essential financial knowledge and skills for a prosperous future.

The Money Smart School Program is a nationwide initiative led by the NCFE, a reputable authority in promoting financial education across various age groups. The program focuses on empowering school students with the fundamental principles of finance, budgeting, saving, and investment strategies. By participating in MSSP, students gain valuable insights into managing their finances responsibly, setting financial goals, and making informed financial decisions.

Star Public School demonstrated its dedication to the holistic development of its students by actively engaging them in the MSSP. Recognizing the importance of financial literacy in today's fast-paced world, the school eagerly embraced this initiative as a means to prepare its students for the challenges and opportunities that lie ahead.

### 3. Tribal Empowerment

In the spirit of the ongoing Azadi ka Amrit Mahotsav celebrations, Star Public School Lumshnong, Meghalaya, organized a captivating morning assembly under the theme of 'Tribal Empowerment.' The event aimed to commemorate 75 years of India's Independence and shed light on the rich cultural heritage of Meghalaya's tribal communities.

The morning assembly commenced with a heartfelt speech about the valiant freedom fighters who played a pivotal role in India's struggle for independence. The students were reminded of the sacrifices made by these heroes and the significance of freedom in our lives today.

Following the inspiring speech, the spotlight shifted to the mesmerizing world of Meghalaya's tribal culture.

Students showcased their talent by performing traditional cultural dances that captivated the audience. The cultural performances not only celebrated the vibrant customs but also reinforced a sense of pride and appreciation for the diverse cultural heritage of our region.

### 3 Tribal Empowerment

In line with the theme of Tribal Empowerment and the commitment to environmental conservation, a tree plantation drive was conducted on the school premises. Students actively participated in planting saplings, symbolizing their dedication to preserving nature and upholding the traditional values of tribal communities, who have long revered the importance of coexisting with nature.

Through such initiatives, Star Public School aims to create an inclusive environment that not only imparts quality education but also instills a deep sense of cultural pride and promotes social harmony among its students.

Let us continue to cherish and celebrate our cultural diversity, working towards empowering all sections of society, including the tribal communities, as we progress towards a brighter and more inclusive future.

### 3 Tribal Empowerment

## 4. Paryavaran Sanrakshan Gatividhi

Students of Star Public School, Lumshnong participated in a CBSE sponsored environmental awareness campaign in an online mode this month. The aim was to grow and protect our green plants in our surrounding area. More than 60 students had registered and participated in this online event in July and received prestigious certificates from the Ministry of Environment, Govt. of India.

# 5. Avantika coloring Olympiad 2023

AVANTIKA Colouring Olympiad 2023 was organized in Star Public School, Lumshnong on 29th July, 2023. 190 students had participated in the competition in a colourful and great enthusiastic manner. The competition was among the students from Nursery to Class XII. The different events in the competition were colouring pictures, essay writing, greetings card making etc. AVANTIKA is a platform where children can explore their inner talent both in drawing and writing. A massive response had been observed from the children and parents for the AVANTIKA COLOURING OLYMPIAD in Star Public School, Lumshnong this year.

## 6. Career Counselling By AZIM PREMJI University

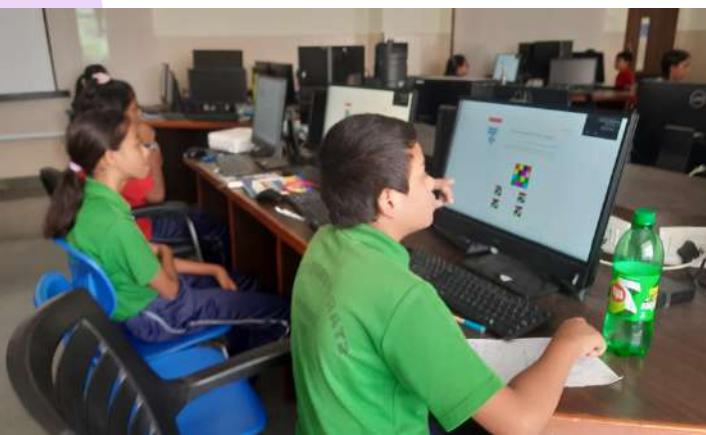

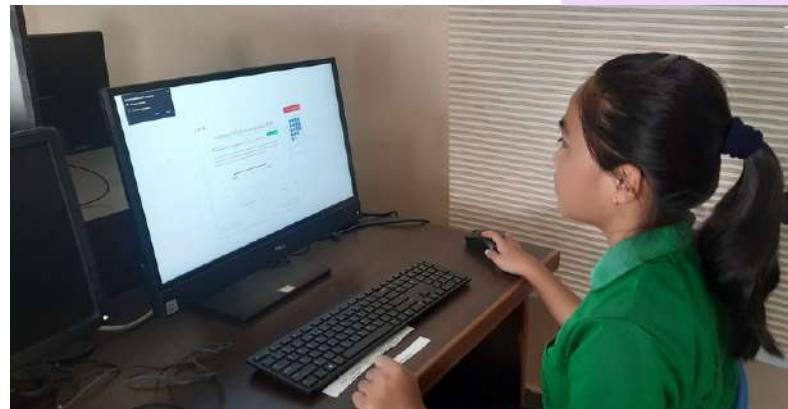

The Career Counselling Webinar organized by Star Public School in collaboration with Azim Premji University, Ahmedabad, on 25th July 2023, proved to be an insightful and beneficial session for the participating students. The webinar aimed to guide and enlighten the students of Classes 11 and 12 about various career opportunities, academic pursuits, and personal development.

The event commenced at 11:00 AM and saw active participation from enthusiastic students of Class 11 and 12 from Star Public School. Prof. Raj Gopal and Mr. Dhaval Bhaskar from Azim Premji University took center stage as the guest speakers and navigated the audience through an array of topics pertinent to career counseling.

# 7. Critical thinking test by LogIQids and Education World

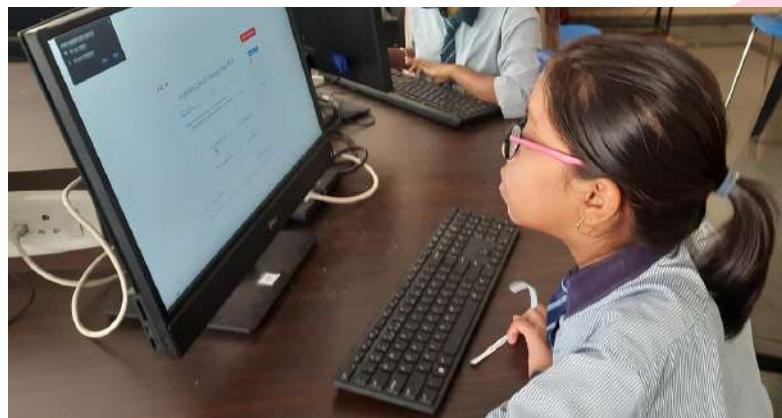

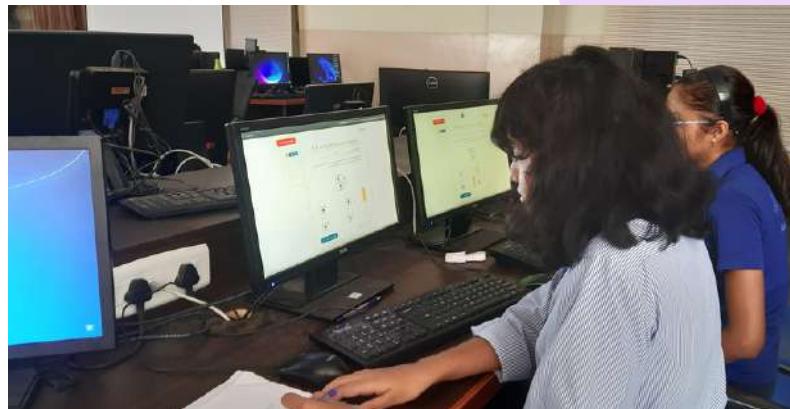

The Critical Thinking Test is an esteemed examination that assesses the ability of students to think critically, apply reasoning skills, and solve complex problems. It is designed to encourage innovative thinking, creativity, and the development of intellectual acumen. Schools from across the nation participate in this evaluation to gauge the effectiveness of their educational practices in nurturing young minds.

We are thrilled to announce that Star Public School has once again proven its mettle by participating in the prestigious Critical Thinking Test, conducted by LogIQids and Education World, for the Indian School Rankings 2023-24. The school showcased its commitment to fostering analytical and logical skills among its students by registering 10 bright minds each from classes 6 to 8.

## 7. Critical thinking test by LogiQids and Education World

At Star Public School, education goes beyond rote learning and memorization. The institution places a strong emphasis on honing critical thinking skills among its students. By integrating problem-solving exercises, thought-provoking discussions, and real-world applications into the curriculum, the school nurtures a generation of thinkers and innovators.

The success of Star Public School in the Critical Thinking Test conducted by LogiQids and Education World for the Indian School Rankings 2023-24 is a testament to the institution's commitment to academic excellence and the holistic development of its students.

## 8. Armed Forces Flag Day

As per the instructions of the esteemed Governor and Chairman of the State Managing Committee for the Special Fund for Reconstruction and Rehabilitation of Ex-Servicemen, all students were required to contribute Rs. 5 towards the armed forces sticker. The collected amount of Rs. 3365 was then duly deposited in cash to the District School Education Officer of East Jaintia Hills by Star Public School.

## 9. Mind Wars quiz by Zee Learn

Zee Learn conducted the prestigious "The Year at Halfway Mark Quiz," a national-level quiz competition that attracted participants from various schools across the country. The quiz aimed to test the knowledge and intellectual prowess of students in a diverse range of subjects.

The winners of "The Year at Halfway Mark Quiz" are as follows:

**1st Place:**

**Mayank Kumar Rai.**

**2nd Place:**

**Mominul Sikdar**

**3rd Place:**

**Vivek Rai**

**Mayank Kumar Rai.**

What adds to the remarkable achievement of these young talents is that all three winners hail from Star Public School. This accomplishment is a testament to the excellent education and nurturing environment provided by the institution, which has consistently empowered its students to excel in various fields. We extend our hearty congratulations to Mayank Kumar Rai, Mominul Sikdar, and Vivek Rai for their exceptional accomplishments in "The Year at Halfway Mark Quiz."

# 10. Students' Achievements

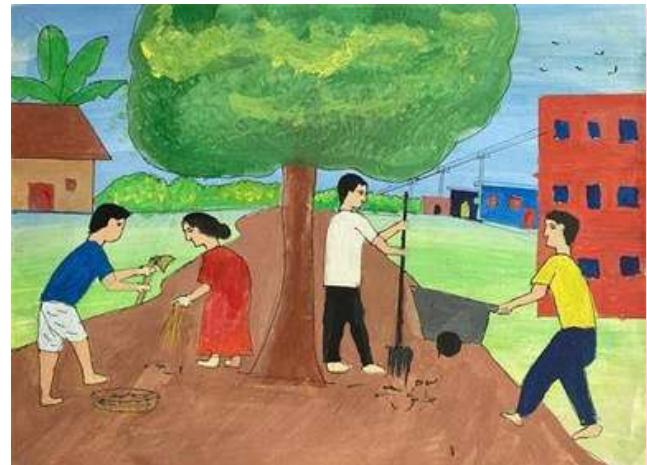

11.

# Drawing competition (Swachh Colony)

Estate Department of Star Cement, organized a drawing competition for the children residing in the colony. The theme for the competition was "स्वच्छ कॉलोनी" (Clean Colony), aiming to promote cleanliness and awareness about maintaining a clean and green environment in the locality. The event saw enthusiastic participation from young artists of the colony, showcasing their creativity and concern for a cleaner and healthier living space.

The young artists displayed their talents, depicting their ideas and visions of a clean and eco-friendly colony. The winners of the drawing competition were chosen based on creativity, artistic skills, and how well they portrayed the theme "स्वच्छ कॉलोनी." Without further ado, we proudly present the winners and their remarkable artwork:

- |                             |                            |
|-----------------------------|----------------------------|
| 1. Prabeen Das -Class-X     | 5. Komal Kumari -Class-VII |
| 2. Priyanka Kumari -Class-X | 6. Megha -Class-VII        |
| 3. Nandini Das -Class-XI    | 7. Vivek -Class-VIII       |
| 4. Rahul Maity -Class-VI    | 8. Vishal -Class-IV        |

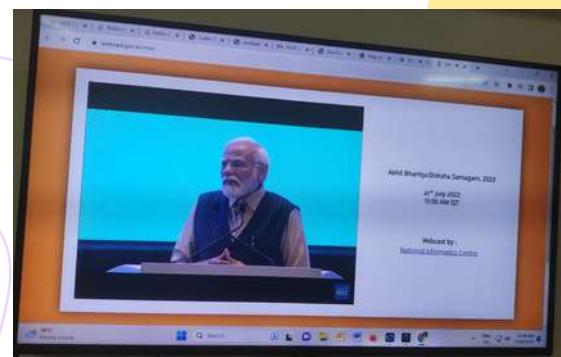

## 12. Akhil Bharatiya Shiksha Samagam

The Ministry of Education, in partnership with the Ministry of Skill Development and Entrepreneurship, organized the "Akhil Bharatiya Shiksha Samagam" on July 29th and 30th, 2023, to commemorate the 3rd anniversary of the National Education Policy (NEP) 2020. The event aimed to bring together educators, policymakers, and students to discuss and celebrate the progress made under the NEP and foster a vision for the future of education in India. As part of the event, live streaming was conducted to enable participation from various schools and institutions across the country.

Prime Minister Shri Narendra Modi inaugurated Akhil Bhartiya Shiksha Samagam at Bharat Mandapam jointly organized by the Ministry of Education and the Ministry of Skill Development & Entrepreneurship in Delhi, on 29 July 2023. It coincides with the 3rd anniversary of National Education Policy 2020.

Star Public School Lumshnong, Meghalaya, actively participated in the "Akhil Bharatiya Shiksha Samagam" through the live streaming platform. The school was represented by 30 teachers and 105 students who joined the virtual celebration to engage in discussions and presentations related to education reforms and their implementation.
