# May Day Celebration

1

May Day, also known as International Labour Day, is celebrated all over the world on May 1. The purpose of the day is to commemorate the efforts and victories of the workers. To celebrate this painstaking effort of the workers who work tirelessly, a special assembly was organized in the school. The children were briefed on International Labour Day and its importance. Students expressed their gratitude by presenting poems, songs and heartfelt thoughts.

The activities were designed to forge a better understanding of the worker community. Mr. Dilip Kumar, Principal, Star Public School, highlighted the history of International Labour Day and its moral issues in terms of dignity, working hours and a fair distribution of wages.

# Chief Minister's District level Inter-School Athletic Meet

2

A Districts level inter school Athletics meet was organized at Teilang Playground Dkhiah, Khliehriat under the guidance of Shri. R. Swett (P.T.I), Mr. P.Synnah (Junior Athletic Coach) & Madam Stephanie M. Rapsang (Districts Sports Officer) from 2nd to 4th May, 2023. After the screening of the participants, 24 students from Star Public School qualified in a tight race, competing with the athletes of 30 other schools in numerous events. A total of 1400 athletes participated in the event from various schools in three categories (Under 14, 16 & 18).

Prabin Das bagged two gold medals in a row in shotput and discuss throw whereas Bhawesh Bhandari bagged gold medals in High jump, thus securing the place for the next level. They have been selected to redpresent the District at the State Level Inter School Athletic Meet, 2023.

The athletes received prizes from the Chief Guest; Mr. Abhilash Baranwal, IAS, Deputy Commissioner and Madam Stephanie M. Rapsang (Districts Sports Officer).

# Investiture Ceremony 2023

“Great things are achieved through great leadership and great leaders are created within four walls of a class-room.”

Investiture Ceremony in itself is an epitome of leadership invested in new generation.

It is one of the momentous occasions when the school entrusts hope, faith and mantle of responsibility to the newly elected school Prefect Council. It signifies the reliance and confidence that the school bequeaths in the newly elected members. Bearing the responsibilities of the badges donned they pledge to bestow their duties to the best of their abilities.

The Investiture Ceremony of Star Public School for the academic session 2023-24 was held on 9 th May 2023 to encourage and kindle leadership qualities in our young students. The function was graced by the presence of Mr. Devender Bansal, Management Representative, SCL and Mrs. Naina Kaur.

The ceremony commenced with the welcome note by Mrs. Vidya Singh, Vice Principal, SPS followed by the lighting of the lamp signifying the removal of the darkness. The presentation of the song led by Mr. Subhadeep Das created an atmosphere of ecstasy.

The oath taking ceremony was led by Mr. Swapnanil Sarmah following which the pinning of the badges was done by Mr. Devender Bansal and Mrs. Naina Kaur.

The students' marching with the beat of the drum was a sight to behold.

In his address, Mr. Bansal urged more students to come forward and to display their leadership qualities which will make them more confident and responsible.

The Principal congratulated the newly elected members and wished them to abide by their duties and responsibilities with utmost dedication and diligence. He proposed the Vote of Thanks and showed a sense of gratitude towards the guest for sparing valuable time.

The function was compered by Mr. Mantun Kumar Singh, who with his pleasant voice endeared the heart of both listeners and viewers.

Star Public School had the privilege of hosting Mrs. Renu Kejriwal wife of Mr. Pankaj Kejriwal, Executive Director, SCL, and Mr. Vineet Tiwari, CEO, SCL at Star Public School on 4th and 25th May 2023 subsequently.

Madam Kejriwal, a Chartered Accountant by profession was quite impressed with the progress of the school. She was awe struck looking at the vegetable and herbal garden being maintained by the students and Yoga Instructor, Mrs. Laxmi Sarkar.

In her long discussion with Principal, she said that it is really a matter of Pride that in such a remote area, the school, having a huge clientele, is providing national and international exposure to the students and students are also excelling in all fields.

Mr. Vineet Tiwari was equally fascinated by the jobs being undertaken by the school and he congratulated and appreciated Principal and his team for being at the top of the world.

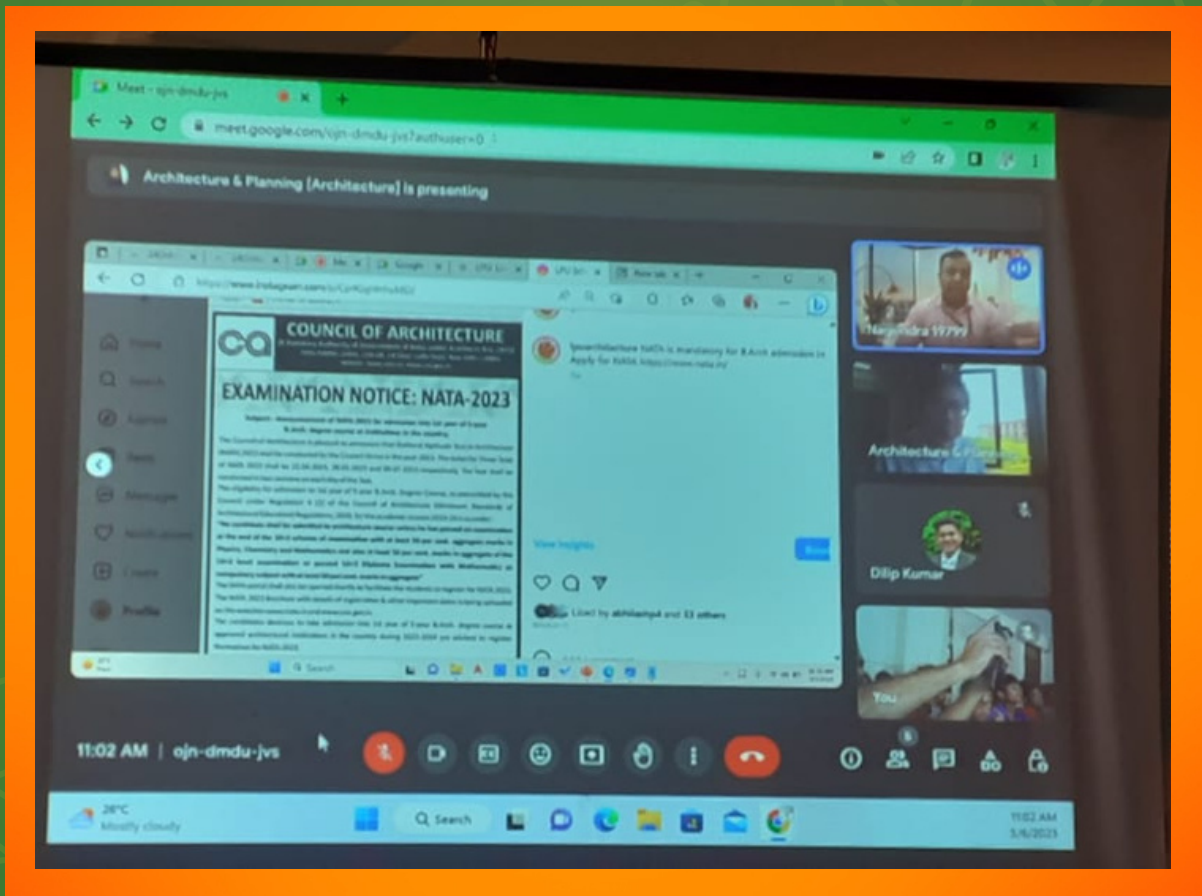

It was awe inspiring to have them as the valued guests in the school.

# Webinar on Hill Architecture

7

The Star Public School in Lumshnong had the privilege of hosting a captivating webinar titled "Designing and Building in the Hills: Traditional and Modern Techniques for Hill Architecture in India" on 6th May 2023. The webinar was jointly conducted by Mostafizur Rahman, an esteemed Associate Professor and Professor Nagendra Narayan at the Lovely School of Architecture and Design, with the aim of providing valuable insights into the challenges and opportunities associated with Hill Architecture.

The webinar commenced with an introduction by Mostafizur Rahman, who emphasized the significance of Hill Architecture in the cultural and historical heritage of the region. He expressed his desire to inspire Senior Secondary school students to explore and appreciate the rich architectural legacy of the Hills while also gaining an understanding of the Design and construction practices employed in these challenging terrains.

The session began with an overview of the unique challenges faced in Hill Architecture. Mostafizur Rahman highlighted the importance of considering factors such as the topography, weather conditions, and geological characteristics of hilly areas. He stressed the need for architects and designers to adapt their approaches to these specific conditions, ensuring the sustainability and resilience of structures in hilly regions.

The webinar delved into the exploration of traditional building techniques employed in hill architecture. Mostafizur Rahman shared valuable insights into the use of local materials, such as stone and timber, and how they have been traditionally utilized to create sturdy structures that withstand the test of time. He also discussed the significance of vernacular architecture and its integration with the natural environment.

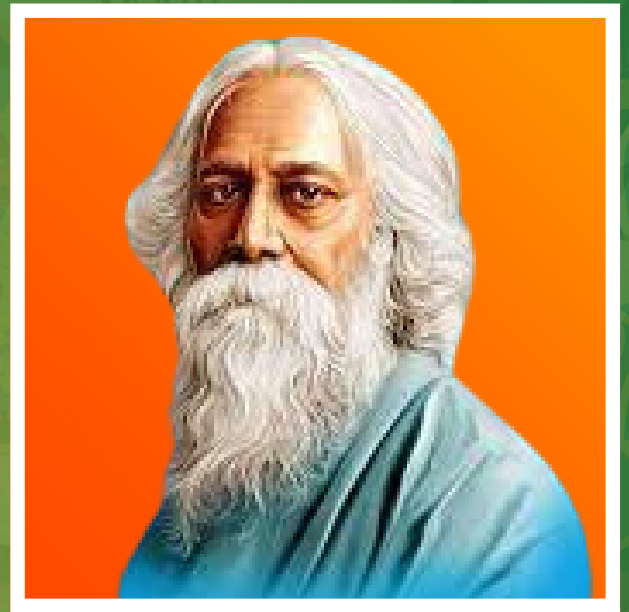

Students and School Support Program was organized by the Dept. of CSR, Star Cement, Lumshnong on 8th May at Star Club in which School bags with umbrellas, pencil box and water bottle were given to the schools from nearby areas and Star Public School was also one of the beneficiary schools. Star Public School received 600 bags to be distributed to the students from Pre school-1 to Grade - XII.

The happiness was clearly seen with a big smile on the children's faces after receiving these valuable items.

Rabindra Jayanti is an annually celebrated cultural festival, prevalent among Tagorephiles (people who love Tagore and his works) around the world, in the remembrance of Rabindranath Tagore's Birth anniversary. It is celebrated in early May, on the 25th day of the Bengali month of Boishakh since Tagore was born on this day in the year 1268 of the Bengali calendar.

On May 9 th (on the 25th day of the Bengali month of Boishakh), Rabindra Jayanti was celebrated in Star Public School in the presence of Mr. Devender Bansal, Management Representative, Principal, teachers and students during morning assembly.

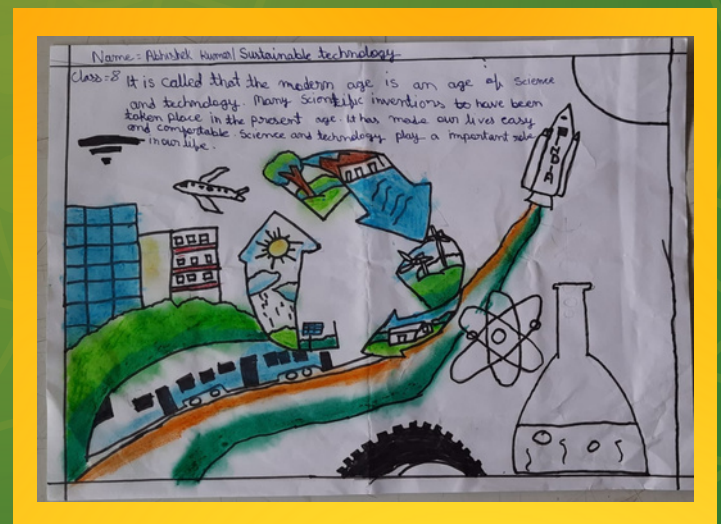

This event lightened up many performances such as recitation of poem, quotation, song of Rabindranath Tagore and dance on Rabindra Sangeet. The program was initiated and performed by the students of 9th standard students during a specially organized assembly. The event was appreciated and applauded by everyone present.

National Technology Week was celebrated at Star Public School in Lumshnong from 11th May 2023 to 15th May 2023 the week-long event aimed to promote awareness and appreciation for technology and its impact on society. The celebrations included various activities, such as a poster-making competition and a quiz competition, to engage and inspire students.

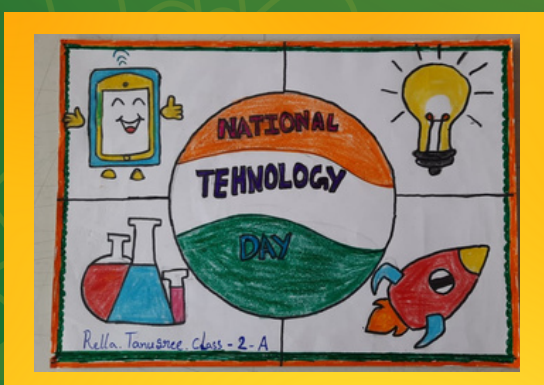

## » Poster-Making Competition:

The poster-making competition was a significant part of the National Technology Week celebrations. A total of 80 students participated in the competition, showcasing their creativity, innovation, and critical thinking skills. The competition focused on highlighting the role of technology in shaping our world. The following ideas were presented to guide the participants:

**Celebrating Technological Progress:** Participants were encouraged to create posters that showcased significant technological advancements of recent years, such as artificial intelligence, virtual reality, and robotics.

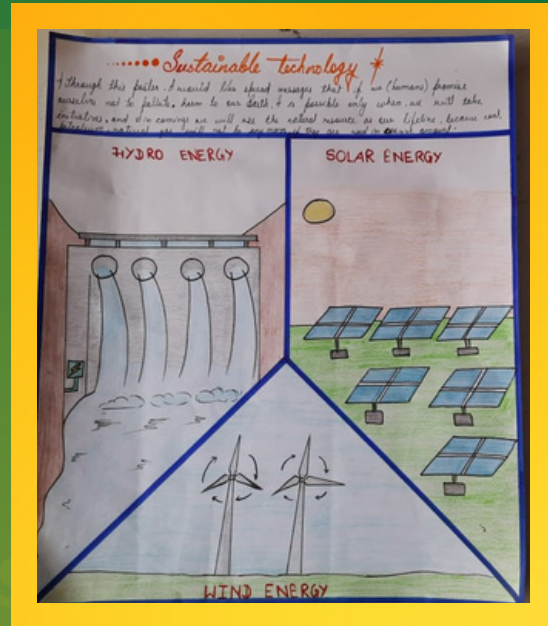

**The Impact of Technology on Society:** Students were asked to illustrate how technology has transformed our lives and work, as well as the potential future impact of technological advancements.

## Sustainable Technology:

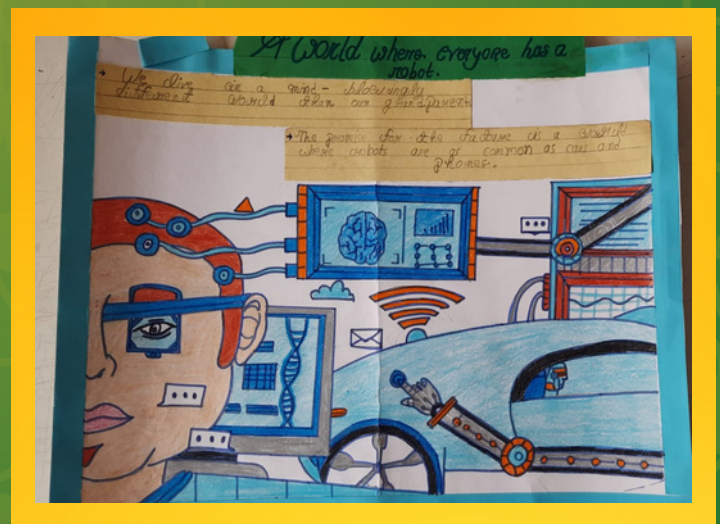

Participants were invited to create posters highlighting how technology can contribute to a more sustainable future, emphasizing concepts such as renewable energy, recycling, and green transportation.

**Women in Technology:** Students were encouraged to celebrate the achievements of women in technology and promote gender equality in the field.

## The Future of Technology:

Participants were tasked with envisioning the future of technology and presenting their ideas through their posters, exploring possibilities like flying cars, advanced space travel, and personalized medicine.

The poster-making competition successfully encouraged students to think critically about technology and its impact on society. It provided them with a platform to express their ideas and artistic skills while promoting an understanding of the role technology plays in shaping our world.

## » Quiz Competition:

In addition to the poster-making competition, Star Public School organized a quiz competition on the topic "Scientific Achievements of India After 2014." The competition took place on 12th May 2023 and was open to students from Class VIII to Class XII.

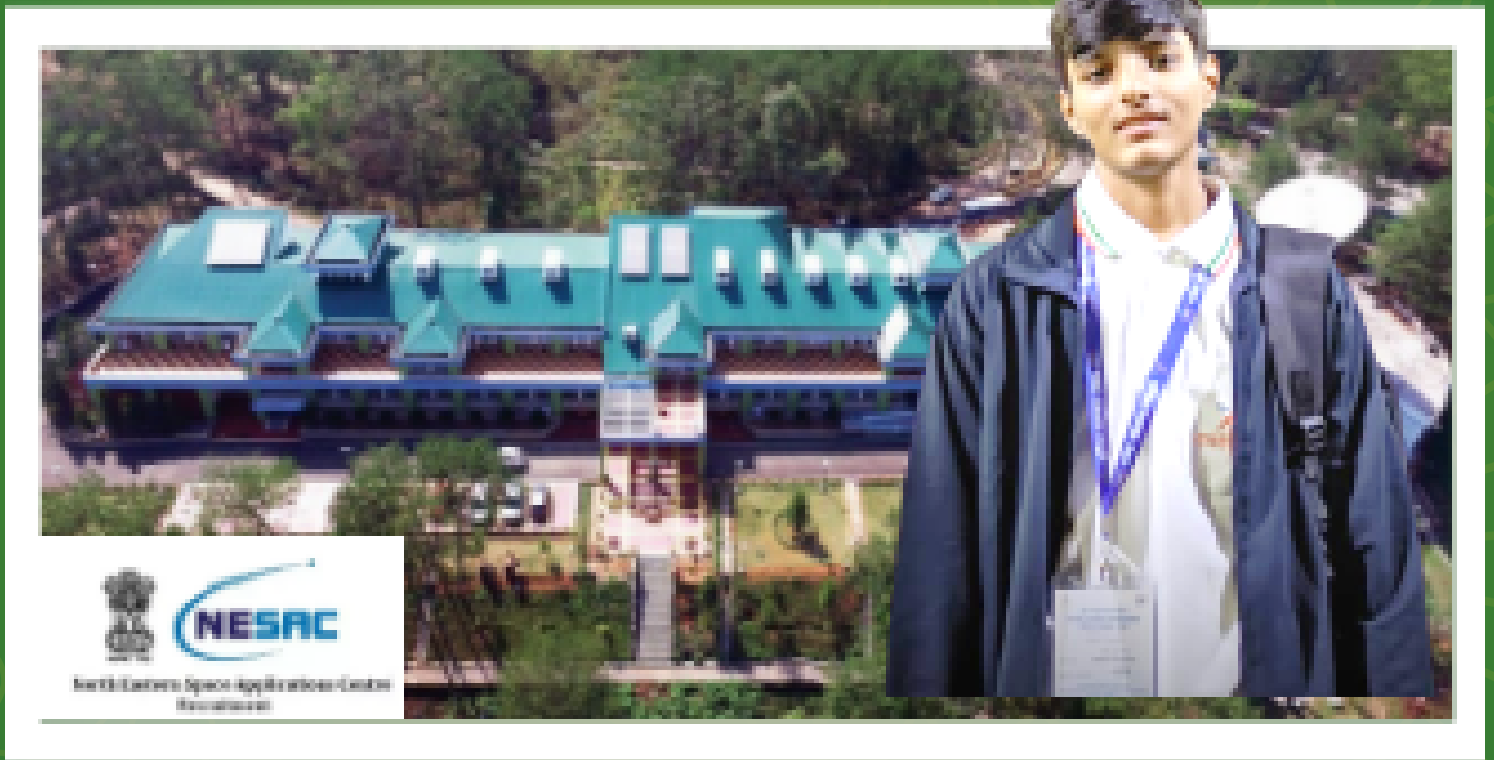

A total of 110 students participated in the quiz competition, demonstrating their knowledge of India's scientific advancements in various fields. The competition consisted of 30 multiple-choice questions that covered topics such as space technology, biotechnology, nanotechnology, and energy.

The quiz competition aimed to promote scientific knowledge and inspire students to take an interest in the latest developments in science and technology. It was an engaging and challenging event that tested the participants' skills and knowledge. The winner of the competition received a special prize and was recognized as the school's science champion.

The National Technology Week celebrations at Star Public School were a resounding success, with students actively participating in the poster-making competition and the quiz competition. The activities fostered creativity, critical thinking, and an appreciation for technology's role in shaping our society. By engaging students in these events, the school successfully encouraged scientific curiosity and promoted an understanding of the latest advancements in the field of technology.

Indian Space Research Organization (ISRO) organized a special program for school children called Young Scientist Programme “YUva Vigyani KAryakram”, YUVIKA, to impart basic knowledge on Space technology, Space Science and Space Applications to the young students. The programme aims to catch them young and inspire them to explore the wonders of space.

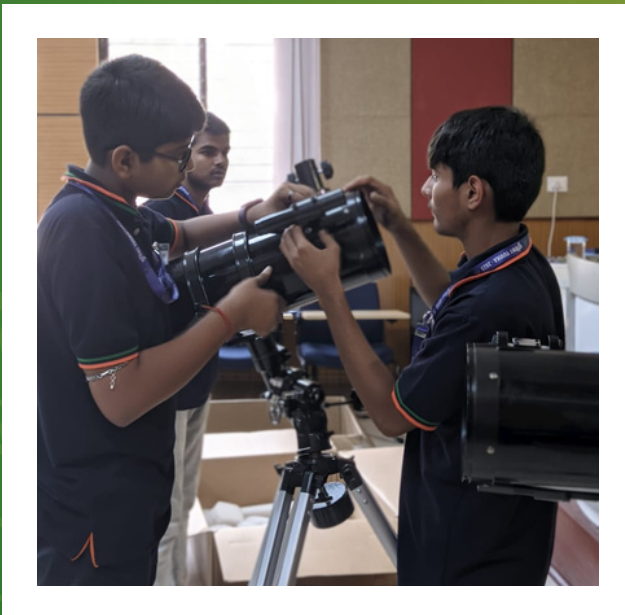

**Mayank Kumar Rai** (Class-X) from Star Public School was selected for the prestigious ISRO YUVIKA programme and got an opportunity to attend a ten-day workshop at the North Eastern Space Applications Centre, Government of India, Department of Space, Umiam, Meghalaya from May 15 to May 26, 2023.

The workshop was an unique opportunity to learn from the experts and scientists of ISRO and get hands-on experience in various aspects of space science and technology. The workshop covered topics such as rocketry, satellite communication, remote sensing, astronomy, astrobiology, planetary exploration and more. The workshop also included visits to various laboratories of ISRO, such as the launch pad, the mission control centre, the satellite assembly and testing centre, the space museum and the planetarium. It also involved interactive sessions, quizzes, group activities and projects

Mayank Kumar Rai was one of the 150 students selected from all over the country based on their academic performance, online quiz score and participation in science fairs and Olympiads. He represented Star Public School and received a certificate of participation from ISRO at the end of the workshop.

Star Public School is proud of its student's achievement and congratulate him for being a part of this prestigious programme. This experience will motivate him to pursue his passion for Space Science & Technology and contribute to the nation's progress in this field. ISRO needs a commendable approach for organising this wonderful programme and providing the young talents this golden opportunity.

To educate and train the students for an unforeseen emergency situation like fire, a demonstration on fire safety was conducted by Mr. Indraraj Hazarika and Mr. Sanjeev Kumar (EHS, Star Cement) on 12 th May 2023. The objective of the exercise was to create awareness among the students and the staff about firefighting techniques and the ways to respond swiftly in times of emergency situations. Mock safety drills and safety procedures to be adopted were explained to the students and the staff members.

They shared simple and easy safety tips, explained and demonstrated the functioning of fire extinguishers and made everyone aware about the Dos and Don'ts regarding the possibilities of fire. Some of the students and teachers were also called upon to operate the fire extinguisher independently. The session proved to be informative and imperative lesson on life saving skills.

Star Public School marked yet another year of success with 100% pass result in CBSE AISSE and AISSCE, 2023.

The ascension is clearly seen in the performance from Secondary to Senior Secondary Level of the students.

“God couldn't be everywhere, therefore He created mothers”

A special assembly & cultural programme on Mother's day was organized by the students of Grade XII to celebrate Mother's day on 15th May, 2023. The main idea was to highlight the importance of mother in the life of a child and to make our mothers feel special.

On the theme of 'Mother's Love and sacrifice', special songs, dances, drama and poetic recitation were presented. The heartfelt and stellar performance of the students was a moment of reckoning for the mothers to introspect on the immense influence and pivotal role one has to play in a child's life. All the presentations were dedicated to mothers. Children thanked their mothers for always being there for them. They owe their life to her who dedicates and sacrifices her life for them. They praised their mothers for their selflessness and contribution towards their upbringing. The performance of the students was exotic, joyful and enthusiastic rendering everyone spellbound with the high level of true emotions giving tears in each eye.

To make the celebration more special, lady teachers were invited on the stage and presented with a token of love. All in all, it was an enjoyable and memorable day for each and every child which left an indelible mark in the innocent hearts.

# Seminar on Rehabilitation approach For Children

22

National Institute for Empowerment of Persons with Multiple Disabilities (DIVYANGJAN) (NIEPMD), Chennai organized one day district level seminar on “Rehabilitation Approach for Children with Multiple Disabilities for Social Workers & School Teachers etc” held on 13th May at Conference Hall, Star Public School, Lumshnong, East Jaintia Hills Meghalaya. Organized by NIEPMD, Chennai in collaboration with Holistic Health Care Training & Educational Foundation, Guwahati Assam and supported by Barak Vision, Assam on Date 13/05/2023 at Lumshnorg, East Jaintia Hills Meghalaya.

This programme was inaugurated by Dr. R. Manigandan, Senior Consultant, Dept. of Social Work, NIEPMD, Chennai, Mr. Dilip Kumar & Mrs. Vidya Singh, Principal & Vice-Principal of Star Public School, Lumshnong, East Jaintia Hills, Meghalaya, Smt. Aihun Lynhdoh Tron, Senior Journalist, Byndihati, East Jaintia Hills, Meghalaya. Shri. G. M. Coudhry, Director of Barak Vison, Assam.

# Seminar on Rehabilitation approach For Children

23

Speakers of this event were Dr. Dhruva Jyoti Das, BSLP&A, FDM, Consultant Audiologist & Speech Language Pathologist, Apollo Excelcare Hospital, Guwahati, Mr. Rajesh Kumar, Rehabilitation Officer, Composite Regional Centre, Guwahati, Dr. R. Manigandan, Senior Consultant Department of Social Work, NIEPMD, Chennai, Dr. Kundan Kumar, Physiotherapist, Composite Regional Centre, Guwahati, Assam.

Dr. Anushmita Chamuah Trustee of HHTEF Guwahati was the co-ordinator for this event under the guidance of Dr. A. Amarnath, HoD, Social Work/ Deputy Registrar (Admin), NIEPMD, Chennai. 101 Social Workers & School Teachers etc were actively participated in this Programme.

As part of the Capacity Building Program, a workshop was conducted on 'Happy Classroom' by COE, CBSE Guwahati on Friday, 19th May 2023 at Star Public school. The workshop was attended by 34 teachers from Star Public School.

The workshop was conducted by Mr. Gautam Chakraborty, Vice Principal, Maharashi Vidya Mandir, Mongoldoi, Assam and Mr. Pradeep Sharma from the same school.

The resource persons, Mr. Gautam Chakraborty and Mr. Pradeep Sharma shared their observations and experiences on the ways in which happy learning can be done.

Following points were covered during the session:

## 1. Understanding Emotional Intelligence:

### (i) **Personal Competence**

- a. Self-awareness
- b. Self-Management

### (ii) **Social Competence**

- a. Social awareness
- b. Relationship Management

## **2. Teacher's Toolkit for Emotional Intelligence Regulation:**

- (i) Emotional Self-Regulation
- (ii) Monitor what you are feeling
- (iii) Establish a professional teacher-student relationship
- (iv) Know more about your students
- (v) Cope proactively

## **3. Defining Behaviour and Misbehaviour:**

An exhibition for Social Science was held in the School on 31st May 2023 on the special occasion of Parents Teachers Meet. Students from classes IV to X and XII of the School participated and displayed their innovative projects and models in the Exhibition as a part of their project-based learning methodology.

The projects and models that were put on display were related to the field of Social Science, encompassing the subjects History, Civics, and Geography. A walk through the History section was equivalent to a walk through time.

There were models and charts depicting life right from the earliest Civilization to the Ages of Communication and Information Technology. One could find various beautiful and intricate models such as Qutub Minar, Taj Mahal etc.

The Exhibition also showcased realistic models of our world and the world beyond. Some of the models showcased the Earth's structure, while others focused on the topographical features planet earth. The numerous charts, models, and diagrams describing various flora and fauna were beautifully described by the students.

There was a great deal of enthusiasm shown by the students as everybody appreciated the hands on approach and the learning aspect.

The Environmental Drawing Competitions were organized by SCL Lumshnong on 29th May, 2023 at the Star Public School. 148 students from class 3 to 8 participated in Environmental Drawing Competition on the topic "Beat Plastic Pollution".

A Parent-Teacher Meeting for the classes Pre School-1 to Grade-XII was scheduled on 31st May 2023 to discuss the performance of the students, implementation of New Education Policy, change of nomenclature, upcoming sports and literary activities, Holiday Homework, reopening of school after Summer Vacation, etc

A total no. of 446 parents attended the Meet and was appraised of the recent progress.

The special attraction of the PTM was the Social Science exhibition initiated by the Social Science teachers and students. Various models and charts were displayed showcasing the innovative talents of the students.
