# I. Deepawali Celebration

1

Diwali, the 'festival of lights' was celebrated at Star Public School by the students of the Pre-Primary classes on 10th November 2023. The day was marked by a special assembly showcasing the spirit of Diwali through a myriad of presentations which added much exuberance and brought great joy to the audience. The assembly concluded with the Principal emphasizing on the message of a clean and safe Diwali.

# 2. Visit to Heritage Institute

2

In a pursuit of continuous learning and the enhancement of educational practices, Mr. Dilip Kumar, Principal, and Mrs. Neetu Bansal, Manager, both representing Star Public School, embarked on a memorable visit to The Heritage School & The Heritage Group of Institutions, Kolkata. This visit, which took place from November 6th to November 7th, 2023, was an extraordinary opportunity for our leadership team to gain valuable insights into the innovative practices and commitment to excellence upheld by The Heritage Group.

The visit proved to be an incredible learning opportunity. The Heritage School showcased a commitment to academic excellence and innovation that left an indelible mark on the team. The exchange of ideas and experiences with the faculty and staff of The Heritage School has provided with fresh perspectives and innovative approaches to education.

# Visit to Heritage Institute

3

We extend our heartfelt gratitude to Shri Sajjan Bhajanka, Chairmain Star Cement for suggesting to this awe-inspiring visit, Shri Pradeep Agarwal, CEO of Heritage Group of Institutions, and Mrs. Seema Sapru, Principal of The Heritage School, Kolkata, for extending a warm welcome and facilitating our enriching visit. Their support and openness in sharing their experiences and initiatives were invaluable.

The insights gained during our visit to The Heritage School & The Heritage Group of Institutions have provided Star Public School with a renewed sense of purpose and a commitment to delivering excellence in education. We are excited about implementing the lessons learned from this experience and are confident that it will contribute to the holistic development of our students.

We look forward to future collaborations and the continued exchange of ideas to elevate the quality of education provided at Star Public School.

# 3. Annual Sports Meet

4

The Annual Sports Meet of Star Public School for the year 2023 was a grand success, showcasing the spirit of sportsmanship and camaraderie among the students. The event spanned from November 1st to November 4th, 2023, and witnessed enthusiastic participation from all four houses - Raman, Ramanujan, Bose, and Bhabha. The Meet was inaugurated by Shri. Laxmaiah Munjala, the Unit Head of Star Cement, and concluded with a memorable closing ceremony and prize distribution on November 4th, 2023.

The sports extravaganza kicked off with the traditional flame lighting ceremony, symbolizing the ignition of passion and competitive spirit. The march past by all four houses added a touch of grandeur to the opening ceremony, setting the stage for the exciting events to follow.

# Annual Sports Meet

5

A diverse array of sports events unfolded throughout the meet, ranging from team sports like Volleyball, Football, and Khokho to individual competitions including Badminton, Table Tennis, Running, Throwing, and Jumping events. The school's sports arena was abuzz with cheers and applause as students showcased their skills and athleticism in each discipline.

The prize distribution ceremony on November 4th, 2023, was a moment of pride and joy for the winners. Medals and certificates were awarded to the outstanding students and teams in recognition of their achievements. The coveted trophy for the winning house, Bose House, was a testament to their collective excellence.

# 4.Children's Day Celebration

Star Public School in Lumshnong marked Children's Day on November 14 within the school premises. The emphasis of the day was on children and their enjoyment, commemorated with immense joy, enthusiasm, and magnificence. The children adorned themselves in casual attire, exuding excitement. The festivities commenced with the Morning Prayer, followed by a diverse range of fun-filled activities and games meticulously planned by the teachers for the children.

# 5.Skill Titans Participation

10

Star Public School, a beacon of excellence in education and innovation, is delighted to announce that Parbini Das, talented 10th-grade student, has secured a prestigious spot as a Top 8 Semi-Finalist in OLL's Skill Titans Season-I. Parbini Das's exceptional entrepreneurial ideas have distinguished him in the East Zonal Round, granting him the honor of representing Star Public School on the national stage.

Skill Titans Season I is a national-level competition organized by OLL that provides a platform for students to showcase their entrepreneurial ideas. With a grand prize of 10 Lacs, the competition aims to encourage innovation and creativity among young minds.

## CONGRATULATIONS

**Parbini das**

**Selected for Zonal Round of  
Entrepreneurship Competition -  
OLL's Skill Titans with CNBC TV18**

**From 120,000 Participants | 3000+ Schools**

Skill Titans Season 1, a distinguished national-level competition organized by OLL, drew participants from across the country, with Parbini Das emerging as a standout candidate in the fiercely competitive East Zonal Round. His innovative thinking and unwavering commitment to entrepreneurship have rightfully earned him a place among the top performers in this exciting and challenging arena.

Parbini's journey to the Semi-Finals exemplifies Star Public School's commitment to providing a robust platform for students to explore their creativity and innovative potential. The school advocates for a holistic approach to education, creating an environment where students can excel not only academically but also in areas that contribute to their overall development.

We believe in empowering students to think beyond conventional boundaries, and Parbini Das's success in Skill Titans is a shining example of the innovative spirit we aim to cultivate at Star Public School, added Mr. Dilip Kumar.

National Children's Science Congress (NCSC) an ideal and innovative program for children to Inspire, Empower and Expand their Minds to World.

It is a forum children of the age-group of 10-17 years, both from formal school system as well as from out of school, to exhibit their creativity and innovativeness and more particularly their ability to solve a societal problem experienced locally using by method of science.

Bhramhini Reddy and Anushka, whose project was selected for the state-level children's science congress as part of the 31st national science congress, participated in the state-level competition of the National Children's Science Congress 2023-2024 at Shillong College, Shillong, Meghalaya, on the 8th and 9th of November 2023.

Mr. Abhisek Banerjee, PGT Chemistry, played a crucial role in mentoring and guiding the participating team.

# 7. National Guidance Festival

13

National Guidance Festival was organised by CBSE in association with Lifelogy Foundation. It gives information on a future career, skillsets to excel and a clear plan regarding which career paths to choose and how to reach the destination. A group of enthusiastic students from Star Public School, accompanied by PGT (Mathematics) Mr. Bijay Kumar Mahatha and esteemed school officials, Honorable school Manager Madam Neetu Bansal participated in the CBSE Official National Guidance Festival at the Indian Institute of Entrepreneurship on 16 November 2023 in Guwahati.

Participants students -

1. Master Mayank Kumar Rai from X
2. Master Mominul Sikdar from X
3. Master Dhruv Bansal from XII
4. Master Sadin Sahaajee from XI
5. Master Vivek Rai from IX

The CBSE National Guidance Festival provided an enriching platform for students to explore and gain insights into various educational and career opportunities. The festival aimed at fostering holistic development, career counseling, and skill enhancement.

# 8.CBSE Heritage India Quiz - 2023

14

CBSE has announced the re-launching of CBSE Heritage India Quiz-2023 in its original format with the central theme of India: The Mother of Democracy (G20) to celebrate India's presidency of the G20 and to commemorate the democratic movement of India and the glorious history of its people, culture and achievements

## TERRE Olympiad 2023-24

We are delighted to share exciting news from the recent TERRE Olympiad, a distinctive examination aimed at enhancing environmental knowledge among our students. The first round of the Olympiad witnessed an outstanding performance from our students across different grade levels.

In the Sapling Group, comprising students from Grade 6 to Grade 9, a remarkable 11 students demonstrated their exceptional environmental knowledge and have been selected to advance to the second round. Similarly, in the Plant Group, consisting of students from Grade 10 to Grade 12, 9 students have successfully qualified for the second round of the Olympiad. Their commitment to understanding and addressing environmental challenges reflects the values we instill at Star Public School.

The second round of the TERRE Olympiad is scheduled to take place from 1st December 2023 to 15th December 2023. This is another opportunity for our students to showcase their environmental awareness and make us proud. We extend our heartfelt congratulations to all 20 students who excelled in the first round.

VVM serves as a nationwide program dedicated to fostering an interest in science among students in grades VI-XI. Its purpose is to identify students with a strong scientific aptitude within the student community.

This year, 38 students from Star Public School registered and participated in the VVM examination, which took place on October 30, 2023. The results were officially announced on November 11th, 2023.

We take great pride in our students' achievements, as two outstanding individuals, Abu Ahmed Bin from class X and Srisanth from class VI, have been selected to attend the state-level camp.

Additionally, we are delighted to acknowledge the district rankers from our school.

# II. Tony Blair Institute - Webinar 17

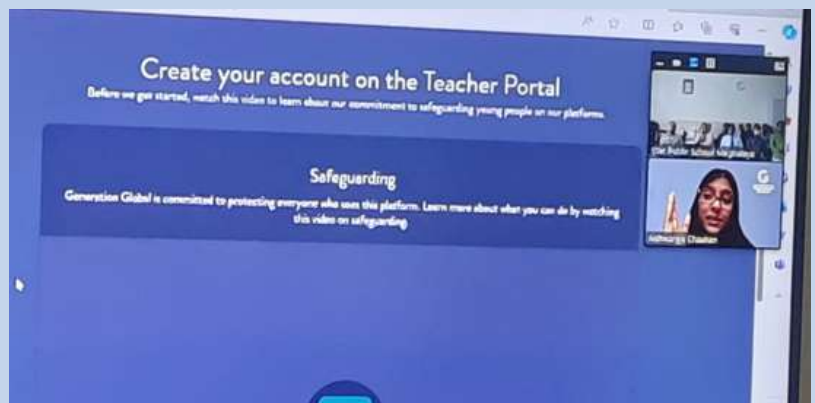

We are delighted to share the exciting news that Star Public School recently had the privilege of participating in an online training session conducted by Aishwariya Chauhan, a representative from Generation Global, the free education platform of the Tony Blair Institute. This insightful session aimed at equipping our educators with the tools and knowledge necessary to foster global citizenship and cultural understanding within the classroom.

A highlight of the training was the exploration of live video conference opportunities facilitated by Generation Global. This feature opens doors for our students to engage in real-time conversations with their peers from around the world, promoting a firsthand understanding of diverse perspectives and cultures.

We extend our gratitude to Aishwariya Chauhan and Generation Global for their invaluable contribution to our professional development.

As we embark on this journey towards global citizenship, Star Public School is poised to nurture students who are not only academically proficient but also culturally sensitive and globally aware.

# 12. Inclusive Education Training

18

Star Public School had the privilege of hosting a significant event on the 25th of November 2023, as the Office of the District Mission Coordinator East Jaintia Hills, along with a group of special educators, conducted an insightful training session on inclusive education. The primary focus of the training was to equip educators with the tools and knowledge needed to identify and support students with special needs.

The session commenced with a detailed discussion on how to effectively identify students with special needs. Educators were provided with valuable insights into recognizing various learning challenges and disabilities among students.

The training delved into practical strategies for supporting children with special needs.

Attendees were briefed on the various government schemes available to support inclusive education. As a heartwarming gesture, the team distributed gifts to the children.

This not only brought joy to the students but also served as a symbolic representation of the school's commitment to inclusivity and support for all.
