1. EDUCATION WORLD INDIA SCHOOL RANKING - 2023

Education World in association with C fore conducted the Education World India School Rankings (EWISR) 2023. To compile EWISR 2023, 11,458 sample respondents – educationists, principals, teachers, SECA (socio-economic category A) parents and senior school students – in 28 cities countrywide were interviewed by 118 C fore field researchers over a period of four months (June-September 2022). The annual EWISR is the world's largest schools ranking survey.

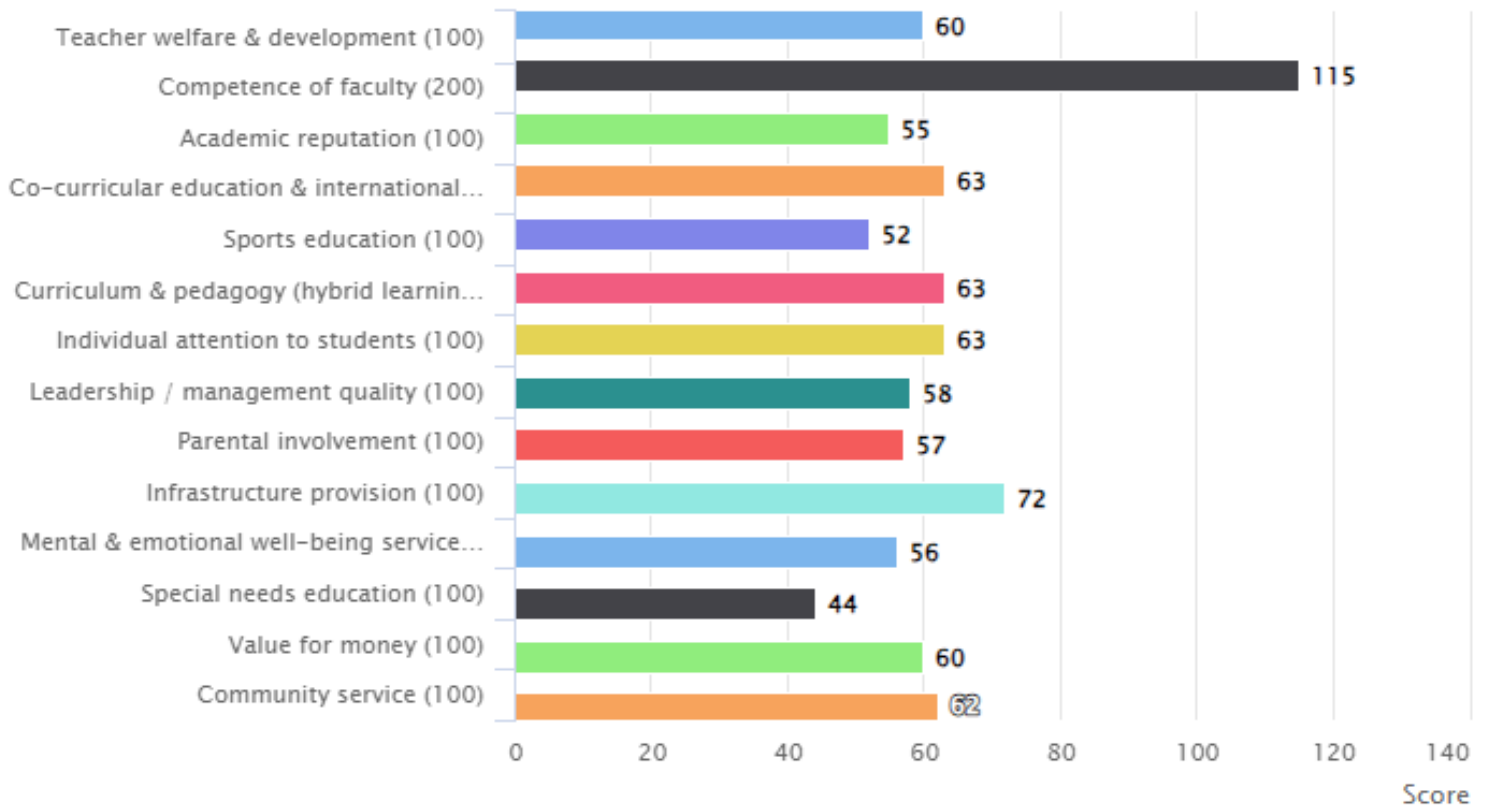

With immense proud we announce that STAR PUBLIC SCHOOL has been ranked Meghalaya No. 1 in the Education World India School Ranking 2023 under Co-ed Day Schools for the 3rd consecutive year.

EDUCATION WORLD INDIA SCHOOL RANKING - 2023

Star Public School Lumshnong Meghalaya

Total Score: 880

Star Public School Lumshnong Meghalaya	Lumshnong	Meghalaya	880
BK Bajoria School Shillong	Shillong	Meghalaya	860
BDW International School Shillong	Shillong	Meghalaya	860

2. NIST SCIENCE TALENT SEARCH

We are proud to announce that a team from Star Public School presented their science project in the NIST Science Talent Search Finale, held on 18th and 19th Nov, 2023 at National Institute of Science and Technology, Berhampur. The school takes pride in being represented by a team of talented students showcasing their exceptional scientific abilities.

The NIST Science Talent Search Finale serves as a platform for students from various schools to exhibit their scientific knowledge, critical thinking, and innovative ideas. This year's event witnessed intense competition among participants from different schools across the country.

The team, led by Arnav Tripathi of class-X and Rishabh Singh of class-VII, represented their idea under the guidance of PGT Physics, Mr. Krishnapada Das. They were selected based on their outstanding performance in the preliminary rounds and their passion for scientific exploration.

NIST SCIENCE TALENT SEARCH

Throughout the competition, students displayed exemplary dedication, perseverance, and teamwork. They presented a project titled Electricity Generation by The Mechanical Pressure, which focused on producing electricity by the pressure of running car on the piezoelectric plates placed below the bitumen layer of the road to use it for lighting up the streetlight. Their project showcased innovative thinking, meticulous research, and effective problem-solving skills.

3. NATIONAL CHILDREN SCIENCE CONGRESS

Star Public School participated in the NCSC event held at Khliehriat DC Office on 19th Oct, 2023.

Participating Teams:

Group 1:

- Members: Mayank Kumar Rai and Mominul Sikdar
- Project Topic: "Using Technology Innovation for Ecosystem and Well-being"

Group 2:

- Members: Vivek Rai and Anant Mehta
- Project Topic: Fostering health Nutrition and Well Being

Group 3:

- Members: Parbini Das and Krishna Das
- Project Topic: Project Eyes

Group 4:

- Members: Bhramhini Reddy and Anushka
- Project Topic: Studying Effects of COVID 19 on mental health

Group 5:

- Members: Bappa Rabidas and Ayush Mishra
- Project Topic: Studying about the Butterflies in Urban and Rural Areas

Mr. Abhisek Banerjee, PGT Chemistry, played a crucial role in mentoring and guiding the participating teams. His expertise and guidance were instrumental in helping the students develop their projects and presentations. His dedication to nurturing young talent is commendable.

Additionally, it is worth celebrating the outstanding achievement of Group 4 Bhramhini Reddy and Anushka, whose project has been selected to state level children's Science congress as part of 31st national science congress to be held on 8th & 9th November, 2023 at Shillong, Meghalaya.

4. CBSE SPORTS

From November 15 to 17, 2023, the Kho Kho team representing Star Public School led by PGT Sanathoi Wahengbam participated in an invigorating Kho Kho tournament held at Holy Brook Senior Secondary School in Tinsukia, Assam. The team's performance during the event was exemplary, showcasing outstanding teamwork, strategic gameplay, and remarkable athletic prowess.

5. SWACHHATA HI SEVA

Star Public School Lumshnong is delighted to share the highlights of our enthusiastic participation in the "Swachhata Hi Seva" (SHS) campaign this year. The campaign, which spanned from 15th September to 2nd October, aimed to foster a sense of community and create awareness about the significance of maintaining a clean and hygienic environment. This served as a prelude to the Swachh Bharat Diwas on 2nd October, which witnessed participation from all corners of our great nation.

The Swachhata Hi Seva campaign is a national initiative that focuses on 'shramdaan' activities, encouraging individuals and communities to participate in cleaning and maintaining their surroundings. It endeavors to make sanitation and cleanliness a part of everyone's daily life, emphasizing that sanitation is not just a responsibility of a few but a collective duty for all citizens.

SWACHHATA HI SEVA

On 1st October 2023, our school took an active part in the Swachhata Hi Seva campaign. Teachers and students of Star Public School Lumshnong united with fervor and devotion to contribute to this noble cause. The cleanliness campaign at our school campus commenced at 10 am and concluded at 11 am on that day.

6. GANDHI JAYANTI

India celebrated Gandhi Jayanti 2023 with great enthusiasm and pride on the 2nd of October, marking the birthday of Mahatma Gandhi, fondly known as the "Father of the Nation." Star Public School Lumshnong, always keen on nurturing patriotic sentiments and fostering a sense of social responsibility among its students, commemorated this special day with a colorful and engaging celebration.

7. INDIAN ARMY QUIZ

In a remarkable achievement, three talented students from Class 9 at Star Public School recently participated in a national quiz competition organized by the Indian Army and selected for second round. This event, the first of its kind in India, is a hybrid initiative, combining both online and offline quizzing. The primary objective of this competition is to raise awareness among students about the crucial role the Indian Army plays in national development and transformational change.

The competition is designed to reach out to a vast audience, targeting students aged 10 to 16, which generally corresponds to students in Standards 6 to 10. It encompasses students from approximately 1,50,000 schools in India where English serves as the primary or secondary language of instruction. It is estimated that this initiative will engage with approximately 1.5 crore students across the country, along with their teachers and parents, resulting in a total outreach of about 4 crores nationally.

8. ARYABHAT GANIT CHALLENGE

On September 4, 2023, all students from grades VIII to X at Star Public School participated in the first-level competition, showcasing their mathematical prowess. Following an intense competition, we are delighted to announce that three of our exceptional students, Master Divyansh Sharma (Grade X), Master Mayank Kumar Rai (Grade X), and Master Nihan Attik (Grade VIII), emerged as the top performers in the first round, earning them the opportunity to advance to the national level competition.

The second round of the Aryabhata Ganit Challenge took place on October 3, 2023, as a computer-based online examination. The students, Divyansh Sharma, Mayank Kumar Rai and Nihan Attik displayed remarkable skills and knowledge in algebra, geometry, statistics, mensuration, and various mathematical concepts. They faced challenging questions that tested their logical reasoning, critical thinking, and problem-solving abilities.

9. EDUCATIONAL TOUR

The month of October marked a memorable chapter in the lives of Star Public School students as they embarked on an enlightening educational tour to Assam. Under the guidance of their dedicated teachers and with the generous support of the CSR Department, this remarkable journey offered students a unique opportunity to discover the rich cultural heritage and natural beauty of the state. The tour began on the evening of October 13th, when our excited students gathered at the school campus to commence their journey to Kaziranga. The overnight bus ride was filled with anticipation and enthusiasm as they ventured into the heart of Assam.

The tour concluded with a visit to the Ledo Railway station to begin their return journey to Guwahati. A memorable overnight train ride brought the students back to Guwahati, and from there, they headed home to Lumshnong.

EDUCATIONAL TOUR

10. DURGA POOJA CELEBRATION

A special assembly was conducted on 19th Oct, 2023 during Navaratri which proved to be a vibrant and culturally rich event, celebrating the nine forms of Goddess Durga, known as Nava Durga. The participation of children and teachers in traditional and ethnic attire added to the colorful and festive atmosphere, making it a joyous occasion.

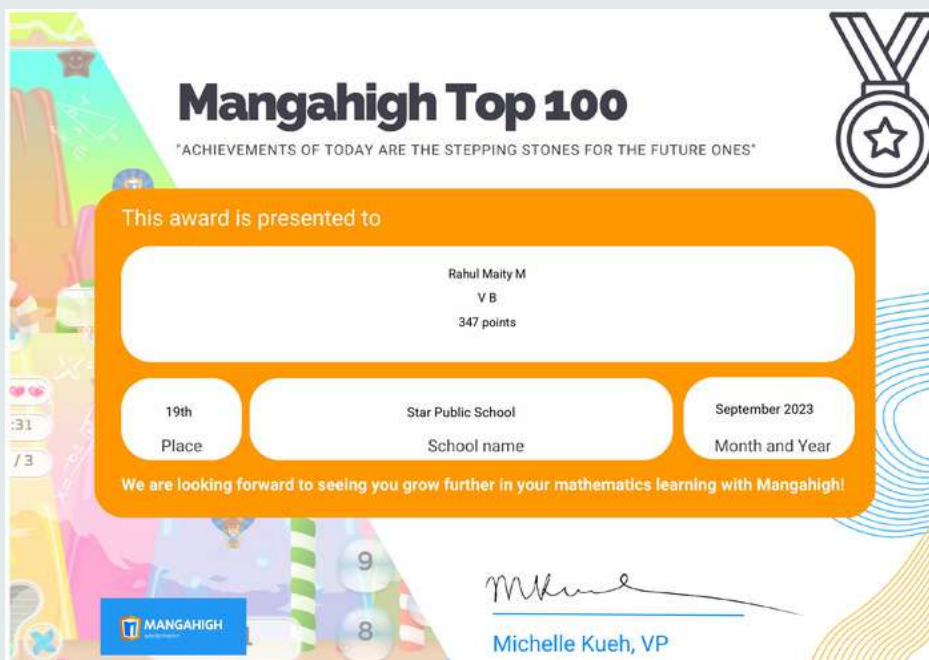

11. MANGAHIGH

It's fantastic to see the commitment and achievements of the students at Star Public School through the Mangahigh Maths competition. This event seems to have been a great platform for engaging students in mathematical learning and fostering their skills. The emphasis on gamification and the utilization of Mangahigh's platform to make math enjoyable is commendable. The following students from different grades have not only actively participated but have also excelled in this competition:

Certificate Achievers:

1. Shubham Kumar Singh (Grade IX)
2. Anurag Singh (Grade VIII)
3. Abhishek Kumar Singh (Grade VIII)
4. Bhavish Singh (Grade VI)
5. Srishant Mahto (Grade VI)
6. Rahul Maity (Grade V B)
7. Shanvi Sharma (Grade IV)

Their accomplishment in earning a significant number of medals and points is a testament to their dedication and skill in mathematics.

12. COUNTINGWELL

The Star Public School takes pride in announcing the on going the Pilot Program for classes VI and IX. This program is designed to bolster mathematical skills, logical reasoning, and the completion of academic coursework homework. Mathematics is a pivotal subject that fosters flexible thinking, creativity, and cognitive abilities. In the IX grade, 35 students, and in the VI grade, 36 students, have successfully fulfilled their homework and assessments in October 2023, guided by their respective subject teachers.

13. VIDYARTHI VIGYAN MANTHAN (VVM)

We are thrilled to share the exceptional journey of our school's recent participation in the VIDYARTHI VIGYAN MANTHAN (VVM) examination. This nationwide endeavor, hosted by Vijnana Bharati (VIBHA) in collaboration with esteemed organizations such as the National Council of Educational Research and Training (NCERT) and the National Council of Science Museums (NCSM), aims to ignite a passion for science among students in grades VI to XI while identifying budding scientific prodigies.

We take immense pride in sharing that a total of 38 students from VI to X under the guidance of Abhisek Banerjee PGT Chemistry participated in the first level of the VIDYARTHI VIGYAN MANTHAN (VVM) examination.

14. NATIONAL TEACHERS' CONFERENCE

The National Education Policy-2020 focuses on holistic development of the students which includes cognitive and socio-emotional development. Students go through a lot of emotional and psychological changes during their school years, and it's important for schools to provide the right kind of support to help them navigate these changes.

Guidance and Counselling services can play a significant role in addressing the developmental needs of students. In this context, Central Board of Secondary Education organized two days' CBSE National Teachers' Conference on 10th and 11th October 2023.

Mrs. Vidya Singh from Star Public school had the privilege to attend the significant CBSE National Teachers' Conference focusing on the holistic development of students. Attending such a grand conference likely provided her with a valuable opportunity to gather insights into the various facets of student development and the strategies discussed to address these critical aspects in education.

15. TEACHERS' ACHIEVEMENT

By Mahatma Gandhi

16. NATIONAL UNITY DAY

National Unity Day is celebrated every year on 31st October in commemoration of Sardar Vallabhbhai Patel.

The various activities organized by the students of Star Public School, such as the thought of the day, the recitation of Sardar Vallabhbhai Patel's biography, poems, group songs, and dances, serve as a fitting tribute to the legacy of this great leader. These events not only celebrate Patel's achievements but also foster a sense of unity, patriotism, and respect for India's rich history and diversity among the younger generation.

17. ALUMNI NEWS

Priyanshu Raj Chauhan, Student at Assam down town University (BTech CSE 3rd Year) was selected among the top 12 teams from India to participate in the NSSC(National Student Space Challenge), focusing on the captivating world of Asteroid Mining under the "Asteroid Venture" event, hosted by IIT Kharagpur. The event took place from October 6th to 8th in the IIT Kharagpur campus. His start up idea has been incubated under the Campus Ideathon at Assam down town University, and he received a generous cheque of Rs. 10,000.

Sameeksha Tomar cleared Central University Entrance Test and got admission in Banaras Hindu University (BHU). She is pursuing B.A.(Hons) Sociology+Political Science+Psychology.
