TEACHERS' TRAINING

On September 2nd, 2023, Star Public School had the privilege of hosting an enriching online teacher training session conducted by Mr. Nirmal Shah, a distinguished educator from Countingwell Institute. Countingwell Institute is a renowned platform dedicated to enhancing mathematics learning in schools, offering highly engaging and personalized solutions. The session delved into the challenges students face in the current educational environment and elucidated how Countingwell's pedagogical solutions can be the key to resolving these issues.

Mr. Nirmal Shah initiated the session by highlighting the challenges students encounter in the present educational landscape. He emphasized that many students struggle with grasping mathematical concepts, often finding the traditional teaching methods uninspiring. The increasing pressure to excel in mathematics, especially in competitive exams, has led to stress and apprehension among students.

The centerpiece of the training session was Countingwell Institute's pedagogical solution. Mr. Shah elucidated how this platform is designed to address the challenges faced by students and educators alike. Countingwell's approach is centered around creating a highly engaging and personalized learning experience for students. It combines innovative teaching methods with advanced technology to make mathematics not only comprehensible but also enjoyable.

TEACHERS' DAY CELEBRATION

Teaching is a profession that teaches all other professions. A day is kept aside to remember all the teachers. This day is celebrated in commemoration of Dr. Radhakrishnan, who was a staunch believer of Education, and was the well-known diplomat, scholar and above all a teacher. To carry forward this tradition, Star Public School, Lumshnong celebrated this occasion with much vigor and enthusiasm.

The celebration began with offering of the flower and lighting of the lamp followed by a fun-filled program organized by the students of Class – XII.

The students put together a lively cultural program featuring melodious songs and various dance performances. This showcases the talents of the students and adds an element of entertainment to the celebration.

A unique and engaging activity occurred where school appointees took on the roles of teachers for the day, substituting in the classrooms. This is a creative way to give students a glimpse into the world of teaching and to pay tribute to the teachers.

TEACHERS' DAY CELEBRATION

A tradition of hosting a special lunch for teachers was upheld, showing appreciation for their hard work and dedication. The event was organized by the HR Department of SCL, and it takes place at the Star Club Guest House.

The occasion was graced by notable guests, including SH. Laxmaiya Munjala, Unit Head, SCL, SH. Devender Bansal, MR, and Mr. Monojit Saha, GM, HR, SCL. And Mrs. Neetu Bansal, Manager, SPS. Their presence likely added prestige and significance to the celebration.

Teachers and the members of the Managing Committee had the chance to interact during the event. This fosters a sense of camaraderie and collaboration within the school community. Teachers contributed to the celebration by presenting beautiful songs, adding an artistic and enjoyable element to the event.

Overall, the Teachers' Day celebration at Star Public School, Lumshnong, was a well-rounded and meaningful tribute to educators, highlighting their vital role in shaping the future and celebrating the spirit of learning and teaching.

TEACHERS' DAY CELEBRATION

ARYABHAT GANIT CHALLENGE

Aryabhata Ganit Challenge provides an effective way of building mental discipline and encourages logical reasoning and mentor rigor. It encourages logical reasoning, critical thinking, abstract or spatial thinking problem solving ability etc. It provides the student an opportunity to show their talent, speed, accuracy and verify their sound knowledge in Algebra, Geometry, Statistics, and Mensuration.

It is conducted by CBSE for the Grades from VIII to X .

It is conducted at two levels -

- 1) School level competition
- 2) National level competition

90 students from Star Public School from grades VIII to X appeared the first level competition on 4th September 2023.

Three students viz., Master Divyansh Sharma - X , Master Mayank Kumar Rai -X and Master Nihan Attik -VIII qualified for the Second Level Competition which will be conducted on 3rd October 2023. It gives a golden opportunity to identify and nurture Mathematical skills. After the successful completion of Second Level Competition top 100 students from each CBSE region will be given merit certificate, medal etc.

Overall, Aryabhata Ganit Challenge appears to be a commendable effort to promote Mathematics education and instill a love for mathematics among students. It not only benefits the participants but also contributes to the overall development of their cognitive and analytical skills.

MEGHALAYA STATE TEACHER AWARD 2023

Congratulations to Mr. Bijoy Biam, Scouts Captain of Star Public School, for being awarded the Best Scouts Captain for East Jaintia Hills District in 2023 by the Education Department, Government of Meghalaya. The ceremony held at Khliehriat Community Hall must have been a proud moment for both Mr. Bijoy Biam and the entire school community.

This recognition is undoubtedly well-deserved and a testament to Mr. Bijoy Biam's consistent diligence and hard work. It's clear that this award has been earned through his unwavering dedication and tireless efforts in the field of scouting.

Receiving a cash prize of Rs. 10,000 from the Government of Meghalaya is a fitting acknowledgment of Mr. Bijoy Biam's outstanding contributions to the Scouts program. This achievement reflects not only his personal commitment but also the excellence and dedication that Star Public School instills in its students.

Once again, congratulations to Mr. Bijoy Biam and Star Public School for this remarkable achievement. May this award inspire others to follow in his footsteps and continue to excel in their pursuits.

PROJECT VEER GATHA EDITION 3.0

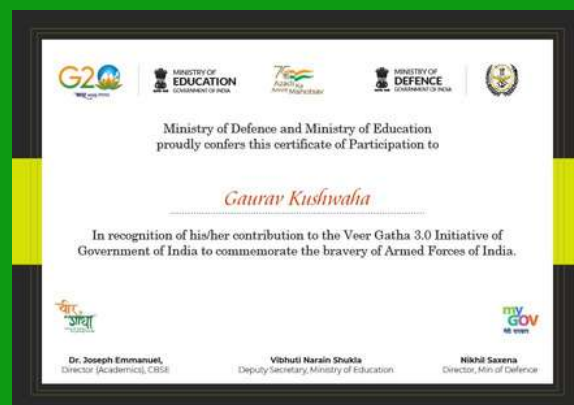

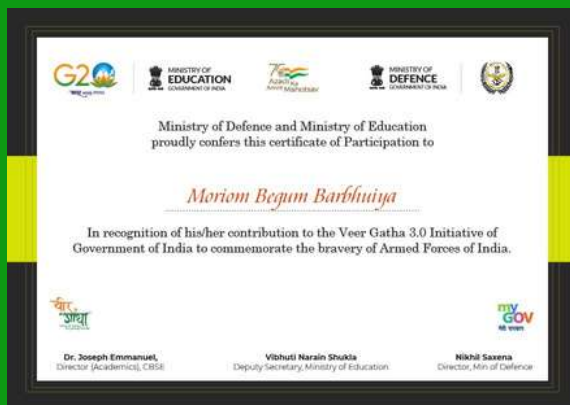

The Veer Gatha Project appears to be a commendable initiative instituted by the Government of India which aims at educating students about acts of bravery and the life stories of individuals from the Armed Forces, lawfully constituted forces, and civilians. It's a way to instill values of courage, sacrifice, and patriotism among students.

In order to disseminate the details of bravery and the life stories of these brave-hearts among the students, it has been proposed by the Ministry of Defence (MoD) that school students are to be engaged in projects/activities based on gallantry award winners.

Star Public School conducted the project on September 3, 2023, involving numerous students who actively participated in various activities such as poems, paragraphs, paintings, drawings, multimedia presentations, and videos. The categorization of activities based on different grade levels ensured that students of all ages participated and were engaged with the subject matter in an age- appropriate manner.

Congratulations to Rupali Kumari of Class 5, Moriom Begum of Class 6, Priyanka Kumari of Class 10, and Gaurav Kushwaha of Class 12 for their outstanding work presentations, which led to them, being selected for recognition by the Ministry of Education (Government of India). Such recognition can serve as motivation for students to excel in their studies and continue to learn about the valor and sacrifices made by individuals in service to the nation.

Kudos to Bijan Debnath, Rajesh Kumar, Sonal Banerjee, and Sampriti Samanta for organizing and conducting the entire program. Initiatives like the Veer Gatha Project contribute to the holistic development of students and help them appreciate the importance of bravery and sacrifice in the context of national service.

CELEBRATION OF WORLD LITERACY DAY

World Literacy Day is celebrated on 8 th September to underscore the fundamental role that literacy plays in individual empowerment, community development, and societal progress. It also serves as a reminder that literacy is a basic human right and an essential tool for personal growth and sustainable development.

The theme for 2023 is “Promoting Literacy for a world in Transition: Building the Foundation for Sustainable and peaceful societies”.

The students of Star Public School actively participated in a diverse range of activities such as painting, essay writing, debate, and poem writing competitions organized by the Office of the Education Department in East Jaintia Hills District, Khliehriat.

CELEBRATION OF WORLD LITERACY DAY

The ceremony held on 13th September to recognize and award the winners in various categories must have been an exciting and memorable event for both the participants and the school community. These occasions not only celebrate the talents and hard work of the students but also encourage them to continue pursuing their passions and honing their skills.

Congratulations to all the students who participated, and a special round of applause to the winners for their outstanding achievements. Such competitions and ceremonies play a vital role in promoting a well- rounded education and nurturing the talents and potential of young individuals. It's a testament to the commitment and dedication of Star Public School in providing opportunities for its students to shine beyond the classroom.

MIND WARS ZEE TV

Zee Learn conducted the prestigious “ Indian Sportspersons Quiz - Winners,” and Festivals of India Quiz. Quiz competitions that attracted participants from various schools across the country.

Sadin Sahjee from class XI is one of the winners of the Festivals of India Quiz.

Shubham Kumar Singh from class IX is one of the winners of the Indian Sportspersons Quiz

They will be awarded with a cash prize.

CBSE READING CHALLENGE

Proficiency in reading is of paramount importance for navigating the complexities of today's world. It serves as the key that unlocks doors to a multitude of uncharted realms, enriching our comprehension of ourselves, diverse cultures, and the world at large. As such, attaining proficiency in reading becomes a pivotal requirement for actively participating in the tapestry of everyday existence.

It's truly impressive that 159 students from the school took part in Round One at the School Level. This demonstrates a strong commitment to promoting reading and literacy among the students.

Even more commendable is the fact that 10 students, with representation from each of the classes 6, 7, 8, 9, and 10, have been selected to advance to Reading Challenge Round II, scheduled for October. This is a significant achievement for both the students and the school.

Participating in reading challenges not only enhances students' reading skills but also broadens their knowledge and understanding of various subjects. It's a wonderful initiative by CBSE, and the success of these students reflects the dedication of both the students and the school in fostering a culture of reading and learning.

Best wishes is being bestowed upon the 10 students representing Star Public School in Round II of the Reading Challenge, and I hope they continue to excel and inspire others to embrace the joy of reading.

HINDI SAPTAH

मेघालय, दिनांक 14 सितंबर 2023 को स्टार पब्लिक स्कूल में हिंदी दिवस के उपलक्ष्य पर हिंदी सप्ताह बहुत ही उत्साह से प्रधानाध्यापक श्री दिलीप कुमार जी की अध्यक्षता में सफलतापूर्वक मनाया गया। इसके अंतर्गत कविता पाठ प्रतियोगिता, भाषण प्रतियोगिता, निबंध लेखन प्रतियोगिता तथा हिंदी में हस्ताक्षर अभियान आदि कार्यक्रम का आयोजन किया गया। कार्यक्रम का संचालन श्री अजीत कुमार सिंह ने किया साथ ही हिंदी विभाग के श्री पवन कुमार सिंह तथा सुश्री शोभा चौबे का पूर्ण सहयोग रहा। इस कार्यक्रम में कक्षा नर्सरी से लेकर कक्षा दसवीं तक के छात्र-छात्राओं ने बढ़-चढ़ कर हिस्सा लिया और 'हिंदी भाषा के महत्त्व' को समझा। सभी विद्यार्थियों का योगदान एवं प्रदर्शन इस कार्यक्रम में प्रशंसनीय रहा। विशेष कर मयंक कुमार राय, प्राची चौबे, चाहत कुमारी, हिमांशु तिवारी, अध्ययन राठौर, नीरव दास, अमोघ बर्धन, अन्वी

मोहंती, कुमारी छाया, ऐडविक चक्रवर्ती, कुणाल शर्मा, प्रतीक्षा शर्मा, श्रीशंत महतो, मयंक राठौर, आकांक्षा मिश्रा आदि ने बहुत ही अच्छा प्रदर्शन किया। सभी की प्रतिभा इस कार्यक्रम के ज़रिए निखर कर सामने आई।

HINDI SAPTAH

प्रत्येक वर्ष की तरह केवल विद्यार्थी ही नहीं अपितु अध्यापकगण भी हिंदी दिवस को लेकर बहुत उत्साहित थे। इस कार्यक्रम में विद्यालय के अध्यापकगणों ने भी भाग लिया। उन्होंने अपनी- अपनी प्रस्तुति द्वारा कार्यक्रम को बहुत ही मनोरंजक तथा ज्ञानवर्धक बना दिया। विद्यालय के प्राचार्य महोदय ने 'हिंदी भाषा के संदर्भ में महत्पूर्ण जानकारी प्रदान की। उन्होंने सभी छात्र-छात्राओं का उत्साहवर्धन किया एवं सदैव शुद्ध हिंदी के प्रयोग करने पर बल दिया।

G20 THINQ

We are proud to announce that three talented students from Star Public School, Lumshnong, have made it to the second elimination round of the prestigious G20 THINQ quiz competition. Mayank Rai and Mominul Sikdar from Class 10, along with Vivek Rai from Class 9, have demonstrated their exceptional knowledge and intellect, earning their place among the top contenders in this exciting competition.

G20 THINQ is a thrilling quiz competition that offers young minds the unique opportunity to experience the Indian Navy while fostering a sense of national pride and patriotism. The competition consists of engaging quizzing rounds, which serve as the initial stages of the event. The ultimate goal is to earn a spot among the top 16 teams who will embark on an all-sponsored trip to the semi-finals in the vibrant city of Mumbai.

The culmination of this exciting journey will take place at the iconic Gateway of India in Mumbai, where the National Finals will be held. Here, the best and brightest quizzers from across the country will compete for the coveted title.

What makes G20 THINQ even more special is that the two top performers from the National Finals will be chosen to form the 'Indian Team' for the International round, which will take place at India Gate in New Delhi. This is not only a chance to showcase their knowledge and intellect on a global stage but also a tremendous honor.

The participation of Mayank Rai and Mominul Sikdar from Class 10, as well as Vivek Rai from Class 9, in the G20 THINQ quiz competition is a testament to the exceptional talent and dedication of our students at Star Public School. We commend their efforts and wish them the best of luck as they continue their journey through this competition.

We encourage all members of the Star Public School community to support and cheer for our talented students as they advance through the rounds of the G20 THINQ quiz competition. Their success reflects not only their hard work but also the commitment of our school to nurture and develop young leaders with a thirst for knowledge and a love for their country.

SWACHHATA PAKHWADA

It's wonderful to see the active participation and enthusiasm of Star Public School, Lumshnong, in organizing Swachhata Pakhwada 2023. This initiative reflects a strong commitment to promoting cleanliness, hygiene, and civic responsibility.

Here's a summary of the key activities that were conducted during Swachhata Pakhwada:

1. Swachhata Sapath (Oath): The event began with a Swachhata Shapath on September 1st, where participants, including students, teachers, and members of the Bharat Scouts and Guides wing, took a pledge to uphold cleanliness and contribute to a cleaner environment. This sets a positive tone for the entire fortnight of activities.

2. Swachhata Awareness Programme: This initiative likely involved educational sessions, workshops, or awareness campaigns to inform participants about the importance of cleanliness, waste management, and the benefits of a clean environment. Raising awareness is a crucial first step in promoting a cleaner and healthier community.

SWACHHATA PAKHWADA

3. Green School Drive: The Green School Drive signifies efforts to make the school campus and surrounding areas more environmental friendly. Activities may have included planting trees, maintaining green spaces, and promoting sustainable practices.

4. Swachhata Participation: Active participation in cleaning and beautifying the school premises and nearby areas is a hands-on approach to promoting cleanliness. Involving students, teachers, and the local community in these activities fosters a sense of responsibility and ownership.

5. Hand Washing and Personal Hygiene: Emphasizing handwashing and personal hygiene is vital for health and disease prevention. Teaching students proper handwashing techniques and the importance of personal cleanliness helps create healthy habits.

6. Prize Distribution Day: The culmination of Swachhata Pakhwada with a Prize Distribution Day is a great way to acknowledge and reward the dedication and contributions of participants. It serves as motivation for continued efforts toward cleanliness and hygiene.

7. Bharat Scouts and Guides Participation: Involving the Bharat Scouts and Guides wing demonstrates collaboration with youth organizations dedicated to community service and character development. Their involvement likely added energy and enthusiasm to the activities.

Overall, Swachhata Pakhwada at Star Public School appears to have been a well-structured and inclusive initiative that not only promotes cleanliness and hygiene but also instills values of civic responsibility and environmental stewardship among students and the local community. Such efforts play a vital role in building a cleaner, healthier, and more conscious society. Congratulations to everyone involved in organizing and participating in this event.

IN SERVICE TEACHER TRAINING

The National Education Policy (NEP) of India proposes participation of children with diverse learning needs in the regular schooling process. Puja Soni, PRT, from Star Public School completed her Diploma in Inclusive Education from Azim Premji University, Bengaluru.

The National Education Policy (NEP) of India proposes participation of children with diverse learning needs in the regular schooling process. Puja Soni, PRT, from Star Public School completed her Diploma in Inclusive Education from Azim Premji University, Bengaluru.

The four certificate courses in the Inclusive Education program seemed to cover a comprehensive range of topics, from understanding the concept and principles of inclusive education to practical aspects like identifying and supporting learning differences and implementing inclusive pedagogical practices. It's crucial for educators to be equipped with the knowledge and skills necessary to provide a supportive and inclusive environment for all students.

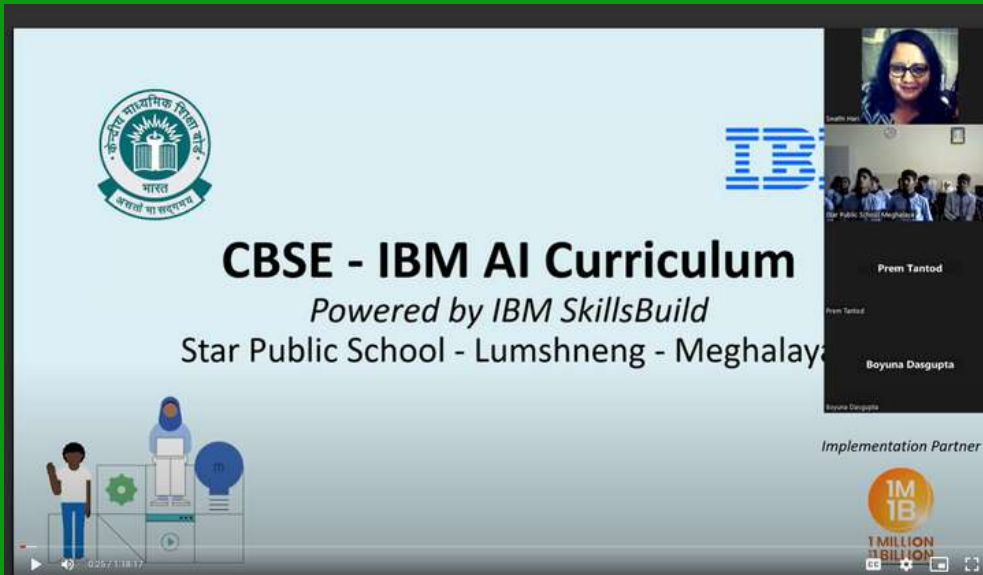

Her experience during the face-to-face session, including group assessments, discussions, and visits to a school like Airaa Academy, is invaluable. It provided with practical insights and hands-on experience in the field of Inclusive Education. Collaborating with her team and submitting reports on observations and interactions with inclusive teachers must have helped in creating a knowledge-sharing community among educators.

Inclusive education not only benefits children with diverse learning needs but also enriches the overall learning experience for all students by fostering empathy, diversity appreciation, and a more inclusive society. Her participation in this program will contribute to the development of inclusive educational practices in India, which is commendable.

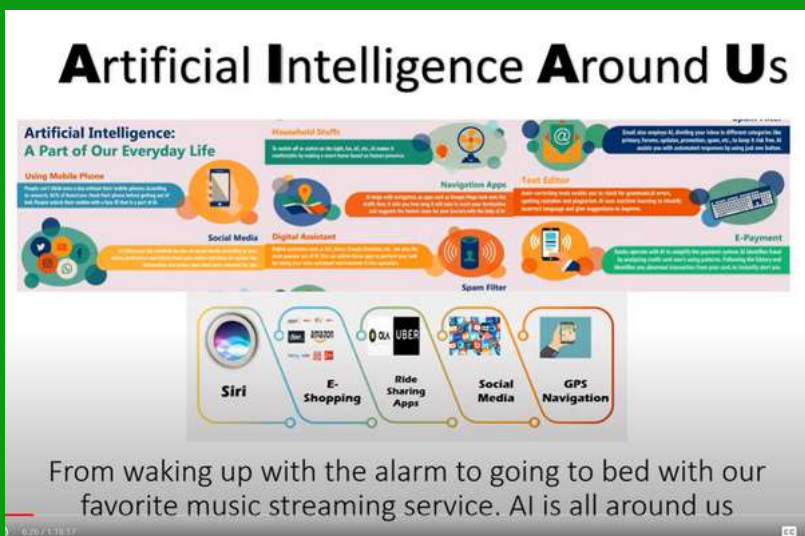

AI SESSION WITH 1M1B AND IBM

Star Public School, Lumshnong, takes great pride in its commitment to providing quality education to its students. In this pursuit of excellence, the school has once again taken a giant leap forward by enrolling in the CBSE-IBM AI program, aimed at nurturing young minds in the field of Artificial Intelligence.

As part of this program, a special orientation session on 'AI for Good' was organized for our students and teachers. The session took place on 4th September 2023 and was conducted from 11:00 am to 12:30 pm. The orientation aimed to prepare our school community for the exciting journey ahead.

The 90-minute orientation program was not just informative but also highly engaging. Students were afforded the unique opportunity to explore the realms of AI, its applications, and its profound impact on various industries. The program encouraged hands-on learning and interactive activities, ensuring that students left with a comprehensive understanding of AI. For our dedicated teachers, the orientation session held the key to unlock the potential of the IBM SkillsBuild platform. It enlightened them about various opportunities available and provided insights into how they can guide and mentor students effectively. Of special significance was the information on the Future Tech Imagination Challenge, which paves the way for internship opportunities for our top-performing students.

Star Public School extends its heartfelt gratitude to 1M1B and IBM for this incredible opportunity. We are poised for a remarkable future, filled with innovation, learning, and growth.

THE LAUNCH OF STAR PUBLIC SCHOOL'S CYBER CLUB

In alignment with the recent CBSE circular (No: CBSE/ACAD/AS(DG)/2023), which emphasizes the formation of Cyber Clubs in schools to foster an ecosystem for preventing cybercrime, Star Public School took a significant step forward on the 20th of September, 2023. An introductory session was conducted at the school premises in Lumshnong, aimed at educating students about cyber security, its importance, and the need for Cyber Clubs. The session, organized by the school's IT department, featured Mr. Prem Tantod (PGT Computer Science) and Mr. Parmeshwar Kshetrimayum (TGT Computer Science) as the key speakers.

The session delved into the core concept of Cyber Clubs and their pivotal role in addressing cyber threats. Mr. Tantod highlighted that Cyber Clubs would serve as a platform for students to develop their knowledge and skills in cybersecurity. By joining these clubs, students will actively contribute to creating awareness about cyber threats and promoting cyber security within their school community and beyond.

Mr. Tantod began the session by shedding light on the diverse spectrum of cyber threats and cybercrime that exist in our digitally interconnected world. He explained the critical role of cybersecurity in safeguarding our digital lives and personal information. As students increasingly engage with technology, understanding these threats becomes paramount.

Mr. Tantod passionately encouraged students to join the Cyber Club and become ambassadors of cyber safety. He emphasized that by working together, they can minimize the risks posed by cyber threats and contribute significantly to society's digital resilience.

THE LAUNCH OF STAR PUBLIC SCHOOL'S CYBER CLUB

The session took a poignant turn when Shri. Dilip Kumar, the principal of Star Public School, shared a personal experience of identity theft. His story served as a powerful reminder of the real-world implications of cybercrime. It underscored the urgency of equipping students with the knowledge and skills needed to protect themselves and others from such threats.

The introductory session held at Star Public School on September 20th, 2023, marked the beginning of an important journey towards empowering students to combat cybercrime. With the formation of the Cyber Club, students have the opportunity to learn, grow, and make a positive impact on their school and society. This initiative aligns with CBSE's vision of creating a safer digital world for all, and Star Public School is determined to play its part in achieving this goal. As students eagerly join the Cyber Club, the school looks forward to fostering a community that is vigilant, knowledgeable, and proactive in the face of cyber threats.

TERM-I EXAMINATION REPORT

The Term – I Examination for the academic session 2023-2024 at Star Public School concluded successfully. This examination spanned from September 11th, 2023, to September 25th, 2023, encompassing classes 3rd to 12th. The examination process ran smoothly and efficiently, fostering a high level of commitment and active participation from both students and faculty members.

The examination's duration was thoughtfully planned, allowing students ample time to demonstrate their grasp of the subject matter. Remarkably, the attendance rate for the examination was exceptional, with over 98 percent of students present across all classes, ranging from 3 to 12.

Our question papers were meticulously crafted to align with the prescribed syllabus and educational standards, ensuring a fair and comprehensive assessment. To maintain the integrity of the examination, the faculty upheld stringent security measures and provided vigilant invigilation in a controlled environment.

In summary, the Term – I Examination for the academic session 2023-2024 at Star Public School was conducted with precision and dedication, facilitating an environment conducive to fair assessment and optimal student performance.

PARENTS-TEACHERS' MEET

The 2nd Parent-Teacher Meeting for the Academic Session 2023-2024, spanning from Nursery to XII classes, took place on September 30th, 2023. The primary agenda of this meeting was to deliberate upon the students' performance in the Term – I Examination. A total of 612 parents participated in this event, during which they received constructive feedback regarding their child's performance in the Term – I Examination for the year 2023-24.

This meeting proved to be a highly beneficial and productive interaction between teachers and parents, focusing on the holistic development of the students. Conversations encompassed both identifying students' strengths and areas that required improvement. Additionally, teachers showcased the students' performance records to the parents, and all suggestions and recommendations provided by the parents were diligently recorded for future consideration.

In conclusion, the Parent-Teacher Meeting concluded with a unanimous understanding that the collaborative efforts, mutual understanding, and cooperation of both parents and teachers play an integral role in fostering the proper nurturing and progress of our students.

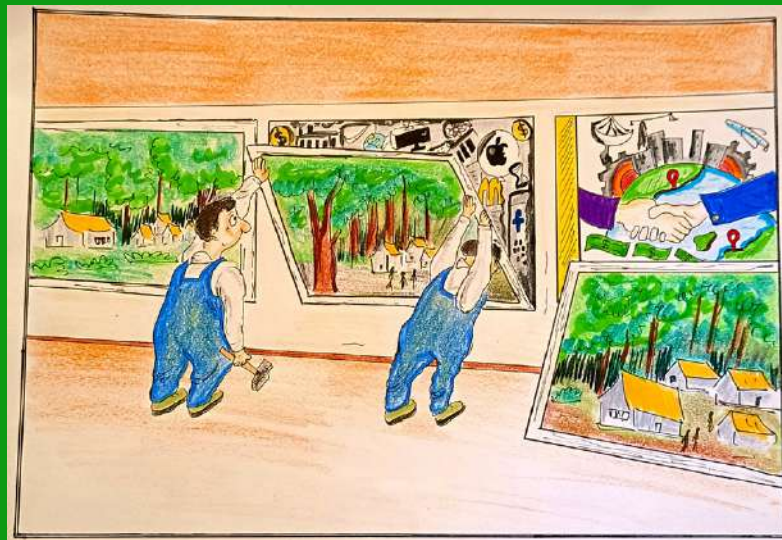

PARENTS-TEACHERS' MEET

FORESTS OF LIFE: A CLIMATE FESTIVAL

Star Public School students participated in the "Forests of Life" event organized by Azim Premji University. The event invited artistic contributions in the form of illustrations and sketches from school and college students to depict their unique perspectives on forests.

WORLD TEEN PARLIAMENT

World Teen parliament is an initiative of Blub World to nurture the next generation of informed, responsible citizens.

It aimed at Sameeksha Tomar, an ex-student of Star Public School was selected as the first World Teen influencer. She was featured in the January edition of Blub World Magazine. It had been a significant recognition of her efforts and contributions to the initiative. Initiatives like these play a crucial role in shaping the future by nurturing and inspiring the next generation.

UNVEILING THE REMARKABLE FEATS OF TEEN MPS AND THE INFLUENCERS OF THE FIRST WTP!

MP Ridhima Jain
Grade 12, Bhavan Vidyalaya, Panchkula, Haryana

I promoted mental health via seminars, and contests with experts. I also explored climate change's economic, and wildlife effects. Initiatives will persist post-WTP for ongoing awareness. WTP taught communication's power, boosted confidence, planning, collaboration, ethics.

INF Sadhana Navamani Veerapandian
Grade 9, The Geekay World School, Ranipet, Tamil Nadu

I addressed the issue of stray animals, driven by my compassion. Despite being young, I realized that age is not a barrier to solving problems and that even small solutions can make a difference. WTP motivated me, particularly through guest lectures. The most exciting moment was my interaction with Dr. Sandeep Sancheti, which will forever be cherished.

INF Sambhavi Darbari
Grade 9, Gargi Girls' School, Meerut, Uttar Pradesh

I raised awareness about the pros and cons of online apps and games, emphasizing the potential negative effects of excessive usage. At WTP, I learned that striving to be my best self can lead to personal growth. The most exciting moment at WTP was my interaction with Mr. Pradeep Rai, a Senior Advocate at the Supreme Court. As an aspiring lawyer, it was a remarkable experience to interact with him and discuss the topic of LGBTQIA+ rights. This encounter highlighted the importance of mutual learning between adults and teenagers, and it motivated me to study and advocate for legal provisions and societal acceptance for the LGBTQIA+ community.

INF Sameeksha Tomar
Grade 12, Star Public School, Lumshnong, Meghalaya

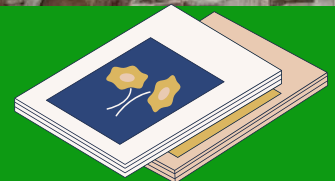

My group created an Instagram account to raise awareness about democracy and engage with young minds worldwide. Additionally, I conducted sessions and surveys in my school to understand the desires of teenagers. I learnt about true leadership and the potential for a world, free of hatred, resembling our teen parliament's unity. WTP transformed my shy and socially awkward personality into one that is confident and strong. It has become an emotional experience for me, shaping me into a hardworking and intelligent individual. The most exciting moment at WTP was the first day of individual group discussions with Daksh Sir, and interactions with world leaders was also quite engaging and encouraging.

MP Samikcha
Student, University of Delhi, Gargi College, New Delhi, Delhi

I raised awareness about cyber security. My group organized a webinar covering various topics like online fraud, stalking, and gaming. Esteemed personalities like Mr. Rakshit Tandon and Mr. Samir Parekh provided insights on navigating the cyber world securely while prioritizing mental health. The webinar reached 100+ teens and adults. Additionally, I initiated a cyber security drive in my school, including a poster-making competition. I learned teamwork, developed independence, and connected with others. It was exciting to meet renowned personalities every month.
