WORLD TEEN PARLIAMENT

The World Teen Parliament is a non-profit initiative initiated in partnership with UNESCO-MGIEP and Save The Children, by the Blub World Foundation.

It is the World's First and Only Elected Global Parliament of Teenagers that brings together 100 teenagers from all over the world to generate ideas that can improve our planet. These young people are elected as MPs, and the World Teen Parliament provides them with training, mentorship, and funding to help bring their ideas to life.

Congratulations to Mayank Kumar Rai on being selected as a Member and Prachi Chaubey for being selected as an Influencer of the 3rd World Teen Parliament. It's an incredible achievement to be chosen among 100 individuals across the world. Their selection reflects not only their personal accomplishments but also their dedication and potential to contribute on a global scale. Best wishes to them as they take on this significant role in the World Teen Parliament!

FUTURE TECH OLYMPIAD

Star Public School (SPS) is proud to announce the participation of 100 of its students in the Future Tech Olympiad organized by CBSE in collaboration with IBM.

The Olympiad aims to assess students' understanding of cutting-edge technologies, including Artificial Intelligence, Augmented Reality, Virtual Reality, Cyber Security, and Data Science. The overwhelming response from students has led to the announcement of the second edition of the Olympiad, emphasizing the importance of nurturing the next generation of technology leaders.

CBSE and IBM with implementation partner 1M1B offer a platform for students to showcase their skills, with opportunities to win medals (Gold/Silver/Bronze) for the top 500 performers.

Additionally, all participating students will receive Participation Certificates, and the top 20,000 students will be invited to the 'National Future Tech Challenge.' Schools with outstanding performance will be recognized.

SPS believes that participating in the Future Tech Olympiad not only contributes to academic growth but also instills a spirit of innovation and curiosity towards future technologies. The school encourages maximum participation from its students, fostering a commitment to preparing them for the challenges of a tech-driven world.

ARYABHATA GANIT CHALLENGE

Star Public School is delighted to share the outstanding results achieved by its students in the Aryabhata Ganit Challenge 2023, a prestigious Mathematics competition organized by the Central Board of Secondary Education (CBSE). This competition aims to foster mathematical skills, logical reasoning, and problem-solving abilities among students in grades VIII to X.

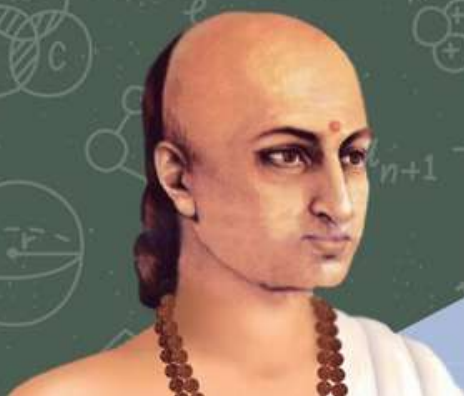

Heartfelt congratulations are extended to Mayank Kumar Rai and Divyansh Sharma from Class X for their remarkable achievement in securing a place within the top 100 students in the Guwahati region. This is a commendable feat, especially considering the immense competition, with 5,50,000 students participating at the school level and 8,590 advancing to the national level across the country.

We extend our best wishes to Mayank Kumar Rai, Divyansh Sharma, and all the students who participated in the Aryabhata Ganit Challenge-2023. Result link:

75TH REPUBLIC DAY CELEBRATION

The 75th Republic Day was celebrated with pride and reverence at Star Public School. The ceremony began with the hoisting of the tricolor flag by Mr. Dilip Kumar, Principal Star Public School. Flag hoisting was followed by the National Anthem to pay tribute to the motherland. The celebration commenced with the address to the students by the school principal.

The participation of the scout and guide groups, as well as the impressive dance performance by Star Public School students added a special touch to the Republic Day celebrations in Khliehriat. The students' stupendous performance at the administrative premises also contributed to the patriotic fervor of the day.

CELEBRATION OF MAKAR SANKRANTI

Makar Sankranti is an apt occasion to enlighten our young generation about India's diversity, cultural heritage and solar science. Makar Sankranti celebration correlates with scientific insights into the sun's movement, energy, and its agricultural implications, mirroring the Aadiya mission's study of the Sun's corona and its impact on Earth's climate and technology.

Considering the significance of Makar Sankranti, the schools are advised to organize various educational activities on 14th–15th January 2024 within the schools to elucidate the cultural importance of Makar Sankranti while highlighting their intricate connections with solar science.

Adhering to the circular by Ministry of Education, Govt. of India, a special assembly was conducted by the students of Star Public School highlighting:

- Astronomical and Scientific Significance
- Cultural Significance
- India's Radiant Triumph in Solar Endeavors
- Fusion of Makar Sankranti and Solar Science for Educational Purposes

WETLAND MITRA

The Ministry of Environment, Forest and Climate Change in New Delhi initiated the 'Save Wetlands Campaign' for World Wetlands Day 2024, focusing on wetlands conservation. A successful Wetland-Mitra-Pledge ceremony at Star Public School in Lumshnong, Meghalaya, demonstrated the school community's commitment to environmental stewardship. The event heightened awareness about the significance of wetlands, especially through discussions on Son Beel, Asia's second-largest seasonal wetland. The ceremony effectively achieved its goal, fostering a more environmentally conscious school community. The administration of the pledge by Mr. Dilip Kumar, the school's Principal, added a personal touch, emphasizing water conservation and pollution reduction.

MINES SAFETY WEEK CELEBRATION

The participation of the Mines Department of Star Cement Limited in the "North East Metalliferous Mines Safety Week Celebrations" from January 8, 2024, to January 13, 2024, is commendable. This event, conducted under the aegis of the Director General Mines Safety (DGMS), Guwahati Region, highlights the commitment of the mining industry to safety standards and practices. Slogan writing and Poster making competition were held to spread the awareness among students. The prize winners are as following:

NEED OF ENTREPRENEURSHIP DEVELOPMENT CONCLAVE

The Entrepreneurship and Rural Development Conclave Guwahati 2024, organized by IIT Guwahati in collaboration with IIT Ropar, aimed at fostering rural development through entrepreneurial projects. Assam's Governor, Shri Gulab Chand Kataria, emphasized skill development for national empowerment. Minister Jayanta Malla Baruah highlighted the strength of the rural population and the need to transform them into job creators. Dr. Ranoj Pegu, Education Minister of Assam, stressed the significance of platforms merging entrepreneurship and rural development. The event saw notable attendees, including CBSE Regional Officer Shri Lakhan Lal Meena, ERDC Head Shri Chetan Sahore, and Dr. Dibyajyoti Mahanta. Mr. Dilip Kumar, Principal Star Public School attended the conclave.

MINES ENVIRONMENT AND MINERAL CONSERVATION

Mines Department of Star Cement Limited participated in the “Mines Environment & Mineral Conservation Week Celebration” from 29.01.2024 to 04.02.2024, conducted under the Indian Bureau of Mines, Guwahati Region. As part of the celebration, Slogan and Poster competitions among school children were organized to encourage creativity and awareness among school children regarding environmental conservation. The competition was based on the theme SWACHH PARYAVARAN HARA BHARA VATAVARAN.

PARIKSHA PE CHARCHA 2024

Star Public School Lumshnonng actively participated in the Pariksha Pe Charcha 2024 event held on January 29, 2024. The online live session, featuring prominent personalities and leaders, provided valuable insights on exam stress and holistic well-being for students. Students from Star Public School engaged enthusiastically. The event fostered a positive environment for dialogue, encouraging students to approach exams with confidence and a balanced mindset. The school's active involvement in this nationwide initiative reflects its commitment to nurturing not just academic excellence but also the overall development and mental health of its students.

SCHOOL HEALTH AND WELLNESS PROGRAM

Star Public School has initiated a School Health and Wellness Program in accordance with the circular issued by the Government of India and the Government of Meghalaya. This program, integrated into the Ayushman Bharat Programme, aims to foster lifelong healthy behaviors among students. Launched in February 2020, the School Health & Wellness Programme is being implemented in schools. Mr. Thongamba Thongam and Mrs. Puja Soni have been nominated as Health and Wellness Ambassadors.

The program emphasizes cardiovascular health through regular exercise, reducing the risk of cardiovascular diseases in adulthood. Inclusive games cater to diverse student populations, fostering success without relying on specific skills. Zumba, a dynamic blend of dance, music, and exercise, contributes to overall health improvement, calorie burning, and enhanced coordination. Recognizing the importance of physical activity for all age groups, especially younger generations, the program aims to bring happiness, stress-free living, and disease prevention to participants' lives.

PARENT-TEACHER MEET

The 3rd Parents Teacher Meeting (PTM) at Star Public School, Lumshnong, convened on January 31, 2024, to review students' performance in Periodic Test-II and Pre-Board Examination. Parents received valuable feedback, engaging in fruitful discussions regarding strengths and areas of improvement. The gathering, attended by 470 parents, fostered a positive interaction between teachers and parents. The syllabus for Evaluation III and Term-II was outlined, emphasizing collaboration for the holistic development of the students. The PTM served as a platform to strengthen the partnership between educators and parents in nurturing the academic progress and well-being of the students.

CARTE BLANCHE CLUSTER V HYBRID LEARNING INAUGURATION

Mrs. Neetu Bansal, the manager of Star Public School, participated in the inauguration of the Carte Blanche Cluster V Hybrid Learning Node classroom in collaboration with Microsoft at Army Public School Narengi in Guwahati. The event marked a significant advancement in educational technology, fostering hybrid learning opportunities. The inaugural ceremony was documented and can be viewed at <https://www.youtube.com/watch?v=Rw0J3K6fwXU>. This initiative reflects a commitment to modernize education and enhance the learning experience for students. Mrs. Bansal's attendance signifies the collaborative spirit among educational institutions in embracing innovative approaches to education for the benefit of the students.
